

Lower Your Energy Cost

Join us for an evening of tips on saving energy, improving home efficiency, and reducing your carbon footprint.

Hosted by the Northfield Environmental Quality Commission.

Featuring

- Presentations from local speakers and the Minnesota Center for Energy and Environment (MNCEE)
- Success stories from the community
- Simple, affordable tips for home and transportation efficiency

November 17 | 6:00 – 7:30 p.m.

Northfield Community Resource Center (NCRC), Room 103
