Jennifer Tonko

Executive Director, Jennifer Tonko

Let's help
our rivers!

A drawing of a cat's face, looking slightly to the right, with large eyes and a small mouth.

2. DON'T LITTER

yuck! that
IS true.

A drawing of a green box with a blue lid and a black wheel, labeled 'BOX'. The box is green with a blue lid and a black wheel. The word 'BOX' is written on the side of the box.

why?

most
of it will
go into
our rivers!

THE CITY OF NORTHFIELD'S 2024 STORMWATER POSTER CONTEST

This certificate is proudly presented to:

Noelia-T-Cvila

On June 4th, 2024 for their outstanding poster design
representing the theme "Stormwater Pollution Solutions."

Jennifer Tonko

Executive Director, Jennifer Tonko

HELP THE RIVERS!

1. We can help
by picking up
trash.

Examples:

AND MORE

STORMWATER POLLUTION SOLUTIONS!

2. We can help
rake the leaves
off the road.

And our
yards.

Those are some
things we can
do to help have
clean river.

Executive Director, Jennifer Tonko

SAVE OUR LAKES!

Hi, I'm Droplet! I'm here to teach you to not pollute!

1. Don't Litter!

If we don't litter, what could happen?

Don't want dirty water? Don't litter!

If we don't use pesticides

2. Don't use Pesticides!

what could happen?

3. Don't Leave your Dogs Waste on the ground!

If you don't clean up after your dog, I clean up.

**4th and 5th
Grade
Honorable
Mention**

DON'T LITTER!

Oh NO ha
- space waste ha

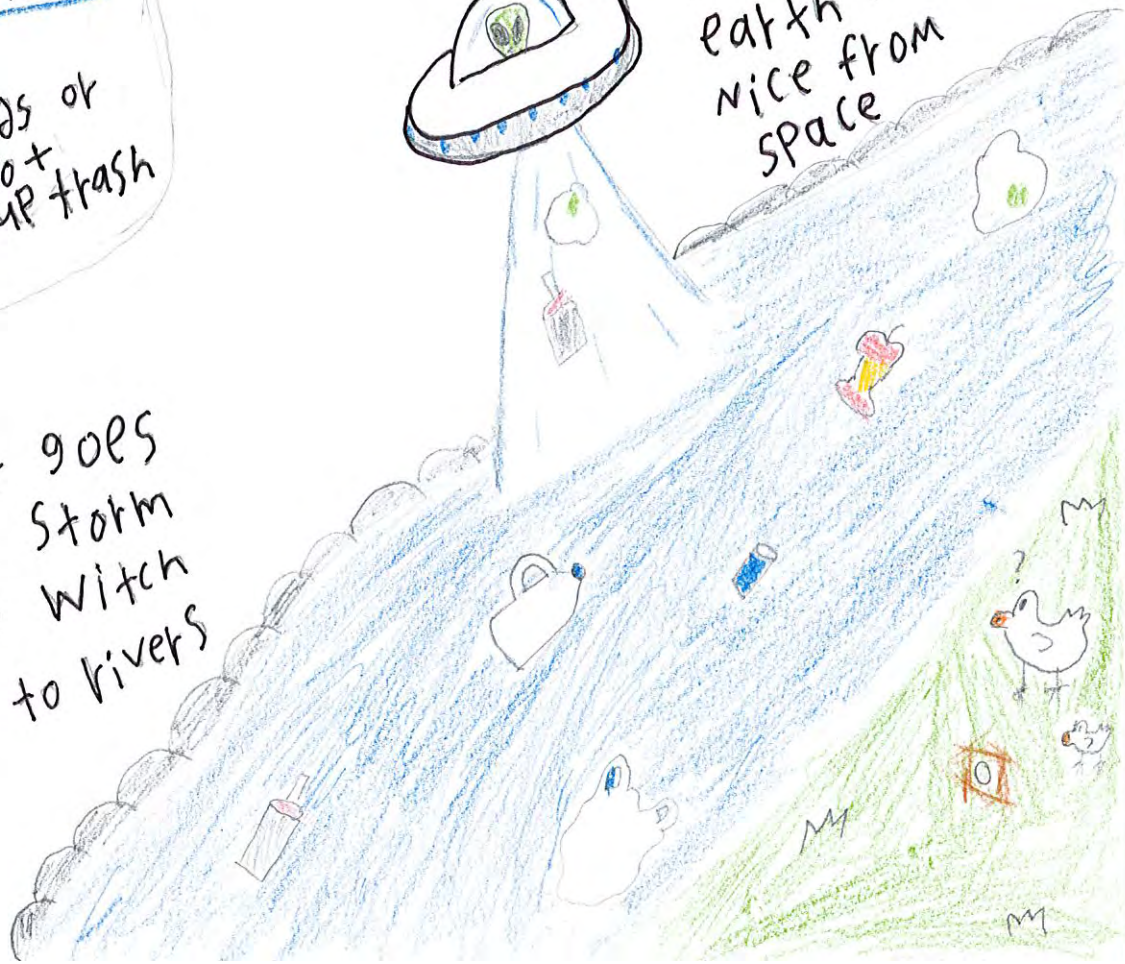

ways to help

1. pick up litter even if its not yours
2. recycle
3. ask friends or family to not litter or pick up trash

It's not mine but
it makes
earth look
nice from
space

Litter goes
down storm
drains which
lead to rivers

Save Our Water

If you help with little things like ...

Don't litter!

Clean up litter!

Don't let leaves and grass clippings get into storm drains!

Pick up after your pet!

Your helping our water.

Our drinkable water

What I hope will happen. →

Help Stop Stormwater pollution Now!

3 Ways to Help

1. Wash your vehicles on grass
2. Use pesticides and fertilizers sparingly
3. Protect stormdrains before home improvements

Whatever goes in the stormwater drains
Goes in the river and lakes

Please Don't feed the

Stormdrains!

Be part of the
Solution of
Pollution
