Additional Components of Base Pay Schedule:

- Step increases will be awarded on the applicable length of service time for each step based on an employee's start date in their position conditioned upon satisfactory performance.
- Employees starting in a position may be placed on any step at the discretion of the employer. Any employee that starts in a position at a step higher than Step 1 will receive a step increase based on the length of service in the position equivalent to the difference between the subsequent step length of service and current step length of service.
- No step increases will be awarded under this structure after December 31, 2017.
