HOW HAVE E-CIGARETTES AND VAPING IMPACTED YOUR LIFE?

They kept me in an ill health
that was difficult to escape, it
made me ~~to~~ want to do it even
though I didn't want to be
doing it, I already have asthma
so I'm sure there's been ~~to~~ horrible
to my health, long-term wise. I've also
seen many family ~~to~~ and friends
not want to ever intend on giving
it up, only because they're addicted.

HOW HAVE E-CIGARETTES AND VAPING
IMPACTED YOUR LIFE?

It made me think I had the control
while it was controlling me slowly.

I couldn't have fun or hang out
without it.

Smokers hate to smoke alone, so I
made people to smoke with me

HOW HAVE E-CIGARETTES AND VAPING
IMPACTED YOUR LIFE?

It's impacted me because I have
asthma and it makes me cough. I've
seen how damaging it can be to
young people. It's also changed
the way people are and it's sad.

my age: 17

HOW HAVE E-CIGARETTES AND VAPING
IMPACTED YOUR LIFE?

I notice that my friends vape and they do
it around me. I feel like it can cause peer
pressure because I feel like I am different
from other friends. I feel like it easy for
people around my age to get it and
buy them.

**HOW HAVE E-CIGARETTES AND VAPING
IMPACTED YOUR LIFE?**

Makes peoples lung's hurt. As
well as could get lung cancer. people
have used it when there overstimulated
and sad. could get second hand
smoke and impact other peoples
live. peer pressure other people.

**HOW HAVE E-CIGARETTES AND VAPING
IMPACTED YOUR LIFE?**

E-Cigarettes and vaping have both
impacted my life significantly by
adding something to be peer pressured
about. which later increases anxiety
about being pressured, and how the pressure
will impact friends. I also have many
friends who have struggled with addiction
and struggle even more to withdraw

my age: 16

HOW HAVE E-CIGARETTES AND VAPING IMPACTED YOUR LIFE?

I dont do it but ive observed many
people who do and it affects them
a lot which isnt good for their
well being and it sucks because
they get more addicted.
