RE: Recycling Rebate

Dear David E Bennett, Mayor and Members of the City Council,

Thank you for participating in the DSI Recycling Rewards Program.

Dick's Sanitation would like to take this opportunity to acknowledge your recycling efforts with a check for \$ 15,405.00 which includes the recycling volumes of 1185 tons recycled for the year 2016. Dick's Sanitation shares a portion of the value of material with the city of Northfield

DSI would like to inform you of the 2017 DSI- Northfield scholarship winner: Bailey Hoffer was presented a check in May in the amount of \$500.00. Each year DSI will provide a \$500.00 scholarship for a student pursuing environmental sciences.

Additionally DSI donated bare root tree's through our Treewards Program where we donate a tree for every 70 tons of recycled material recycled from the city.

Dick's Sanitation commends you for the City's efforts to promote and support recycling to help the environment. As a result of your recycling efforts; trees, water, and natural resources were saved.

Thank you for partnering with Dick's Sanitation.
Sincerely,

Jeff Weast
