AN ORDINANCE GRANTING A FRANCHISE TO CHARTER CABLE PARTNERS, LLC (FORMERLY MARCUS CABLE PARTNERS) d/b/a CHARTER COMMUNICATIONS, TO CONSTRUCT, OPERATE AND MAINTAIN A CABLE SYSTEM IN THE CITY OF NORTHFIELD, MINNESOTA, FOR THE SOLE PURPOSE OF PROVIDING CABLE SERVICE; SETTING FORTH CONDITIONS FOR THE GRANT OF THE FRANCHISE; PROVIDING FOR REGULATION AND USE OF THE SYSTEM AND THE PUBLIC RIGHTS-OF-WAY IN CONJUNCTION WITH THE CITY'S RIGHT-OF-WAY ORDINANCE, IF ANY; AND PRESCRIBING PENALTIES FOR THE VIOLATION OF THE PROVISIONS HEREIN.

THE CITY COUNCIL OF THE CITY OF NORTHFIELD, DAKOTA & RICE COUNTIES, MINNESOTA, DOES ORDAIN:

**ARTICLE 1.
STATEMENT OF INTENT AND PURPOSE, AUTHORITY AND
FINDINGS**

1.1) Statement of Intent and Purpose

- (a) The City of Northfield intends, by adoption of this Franchise, to renew an existing franchise that will foster competition in cable services consistent with the intent and goals of the Communications Act of 1934, as amended, and to ensure that the needs and interests of the City will be benefited through Cable Service competition.
- (b) The City, pursuant to applicable federal and State law, is authorized to grant one or more nonexclusive Franchises to construct, operate, maintain, and reconstruct Cable Systems within the City.
- (c) The City finds that Cable Service has become an integral part of its citizens' lives, and that evolving Cable Systems have the potential to play an even more dramatic role in the future, providing great benefits and advanced capabilities to residents of the City. At the same time, the rapidly emerging role of Cable Systems as an integrated broadband communications platform necessitates a finding that the City has a legitimate and vital role to play in regulating Cable Services in a manner that ensures high quality customer service, while at the same time fostering competition to the extent permitted under law. The City further finds that the public convenience, safety, and general welfare can best be served by establishing regulatory powers that are vested in the City or the designees of the City.
- (d) In order to ensure that the City and its residents receive state-of-the-art Cable Services and capabilities as broadband technology further evolves, the

Franchise granted pursuant to this Ordinance will be subject to periodic review and modifications to keep current with changing law, technology, and services. It is the intent of this Ordinance to provide for and specify the means to attain the best possible Cable Services for the City and its residents.

(e) Adoption of this Franchise is, in the judgment of the Council, in the best interests of the City and its residents.

1.2) Findings. In reviewing the Franchise application submitted by Grantee and information adduced during Franchise negotiations, and as a result of a public hearing, the City Council makes the following findings:

- (a) That the City, pursuant to Applicable Law, is authorized to grant one or more nonexclusive Franchises to construct, operate, maintain and reconstruct Cable Systems within City limits; and
- (b) That the development of Cable Systems has the potential of having great benefit and impact upon the residents of the City. Because of the complex and rapidly changing technology associated with cable television, the City Council further finds that the public convenience, safety and general welfare can best be served by establishing regulatory powers which should be vested in City or such Persons as City shall designate; and
- (c) That Grantee has applied to the City for a nonexclusive franchise to construct, install, maintain and operate a Cable System in City; and
- (d) That the construction, installation, maintenance and operation of such a System involves the occupation of and placement of private commercial facilities in the Rights-of-Way within the City; and
- (e) That the City has considered the financial, technical and legal qualifications of Grantee, and has determined that Grantee's plans for constructing, operating and maintaining its Cable System are adequate, in a full public proceeding affording all parties due process and a reasonable opportunity to be heard; and
- (f) That City has relied on Grantee's representations regarding its financial, technical and legal qualifications and its plans for constructing, operating, and maintaining its Cable System, and has considered the information that Grantee has presented to it; and
- (g) That based on Grantee's representations and information, and in response to its request for a cable television franchise, the City Council has determined that the grant of a nonexclusive franchise on the terms and conditions herein and subject to Applicable Law, is consistent with the public interest; and

- (h) That to the knowledge and belief of the City, this Franchise and the procedure used in formulating and awarding the same in all ways complies with the Franchise standards of federal, State and local law; and
- (i) That this Franchise granted to Grantee is nonexclusive; and
- (j) That the City and Grantee have reached agreement on the terms and conditions set forth herein.

3.11) Change of Control. “Change of Control” as used in this Agreement shall mean any change, transfer or acquisition of control of ten (10) percent or more of the equity ownership of Grantee, whether accomplished directly or indirectly through intervening subsidiaries of the transferor and/or transferee and whether by means sale, exchange, merger, consolidation, transfer or any other means or device whatever. 3.30) Franchise or Cable Franchise. “Franchise” or “Cable Franchise” shall mean this ordinance, as may be amended from time to time, any exhibits attached hereto and made a part hereof, and the regulatory and contractual relationship established hereby.

3.31) Franchise Fee.

(a) The term “Franchise Fee” includes any tax, fee, or assessment of any kind imposed by a franchising authority or other governmental entity on a cable operator or cable subscriber, or both, solely because of their status as such;

(b) The term “Franchise Fee” does not include:

(1) Any tax, fee, or assessment of general applicability (including any such tax, fee, or assessment imposed on both utilities and cable operators or their services but not including a tax, fee, or assessment which is unduly discriminatory against cable operators or cable subscribers);

(2) In the case of any Franchise in effect on October 30, 1984, any payments which are required by the Franchise to be incurred by the cable operator for public, educational, or governmental access facilities;

(3) Requirements or charges incidental to the awarding or enforcing of the Franchise, including payments for bonds, security funds, letters of credit, insurance, indemnification, penalties, or liquidated damages; or

(4) Any fee imposed under Title 17.

3.32) GAAP. “GAAP” shall mean generally accepted accounting principles.

3.33) Grantee. “Grantee” shall mean Charter Cable Partners, LLC (formerly Marcus Cable Partners) d/b/a Charter Communications, and its lawful successors, transferees or assignees.

Gross Revenues shall include, but shall not be limited to:

(a) Revenues from Cable Services, other service, monthly fees for programming offered on a per-channel, or per-program basis;

(b) Revenues from installation, disconnection, reconnection, and change-in-service fees; Lockout Device fees; Leased Access Channel fees; late fees, upgrade and downgrade fees, and administrative fees; revenues from fees, rentals or sales of Converters, Lock Out Devices, or other equipment; advertising revenues from advertising carried on the Cable System or in subscriber bills or any other medium; interest; revenues from program guides; Franchise Fees;

(c) Revenues to the System from home shopping, bank-at-home channels and other revenue sharing arrangements;

(d) Grantee shall market any “bundled” services to fairly reflect an appropriate and reasonable division of services among the various services offered. Revenues from the sale of such bundled services shall be apportioned for purposes of the Cable Franchise in such manner that an amount equal to the Cable Franchisee’s usual and customary charge for Cable Service alone shall be included in “Gross Revenues;” provided, however, if a Grantee discounts the cost or otherwise receives reduced revenue from the sale of such bundled service, the amount attributable to “Gross Revenues” shall be reduced on a pro rata basis equal to the percentage difference between the costs for the bundled and unbundled service components. For purposes of Franchise fee computation purposes, the discount shall be in accordance with the following example:

(1) Assume a subscriber’s charge for a given month for Cable Service alone would be \$40, for local telephone service alone would be \$30 and for long distance service alone would be \$30, for a total of \$100. In fact the three services are offered in effect at a combined rate where the subscriber receives a twenty percent (20%) discount from the rates that would apply to a service if purchased individually. The discount (here, \$20) for Franchise fee computation purposes would be applied pro rata so that for such purposes, Gross Revenues for the provision of Cable Service would be deemed to be \$32 (\$40 less 20%). The result would be the same if the subscriber received a \$20 discount only for telephone service on the condition that he or she also subscribes or

is a subscriber to cable service and/or long distance service nonbundled standard rates.

- (e) To the maximum extent permitted by Applicable Law, revenues derived from the provision by Grantee or any Affiliate thereof of Internet access, cable modems and/or other Internet-related services.

Gross Revenues shall not include: (i) to the extent consistent with GAAP, actual Bad Debt write-offs, provided, however, that all or part of any such actual Bad Debt that is written off but subsequently collected shall be included in Gross Revenues in the period collected; (ii) any taxes on services furnished by the Grantee imposed by any municipality, state or other governmental unit, provided that Franchise Fees shall not be regarded as such a tax; (iii) FCC regulatory fees; (iv) Subscriber credits, adjustments or refunds; or (v) refundable Subscriber deposits.

This definition shall be deemed to include all gross receipts and revenues to the fullest extent permitted by Applicable Law.

- 3.35) Guaranty.** “Guaranty” shall mean a contract wherein the parent of Grantee, general partnership or other Persons, firms or organizations whose financial standing is used to support the commitments of Grantee will undertake to promise that the obligations, duties and liabilities may be assumed by and become the responsibility of guarantor.

The system constructed and maintained by Grantee or its agents shall not interfere with other uses of the Rights-of-Way. Grantee shall make use of existing poles and other above and below ground facilities available to Grantee to the extent it is technically and economically feasible to do so.
- (2) Notwithstanding the above grant to use Rights-of-Way, use of such Rights-of-Way shall not be inconsistent with the terms and conditions by which such Rights-of-Way were dedicated and with all legal requirements related to the use of such Rights-of-Way, including the terms and conditions of any applicable Rights-of-Way ordinance. This provision in no way limits Grantee’s rights pursuant to Minn. Stat. § 238.35.

- (3) This Franchise shall be nonexclusive. Additional cable franchises granted by the City shall be granted the substantially similar terms and conditions.
- (d) **Lease or Assignment Prohibited.** No person may lease Grantee's system for the purpose of providing Cable Service until and unless such Person shall have first obtained and shall currently hold a valid franchise.

Grantee shall extend service to any other areas or persons requesting service at a cost equal to the construction costs, including material, labor and any necessary easements, per mile multiplied by a fraction whose numerator equals the actual number of homes per mile, and whose denominator equals thirty (30) homes. Those persons wishing to become subscribers and requesting service will bear the remainder of the construction costs on a pro rata basis. The Grantee may require that the payment of these costs by such potential subscribers be made in advance. Access to cable service shall not be denied to any group of potential residential cable subscribers because of the income of the residents of the area in which such group resides. Grantee shall be given a reasonable period of time to construct and activate cable plant to service annexed or newly developed areas but in no event to exceed twelve (12) months from notice thereof by City to Grantee.

- 5.2) State and Local Law.** The Grantee shall strictly adhere to all State and local laws, regulations and policies adopted by the City applicable to the location, construction, installation, operation or maintenance of the system in the City. The City has the right to supervise all construction or Installation work performed in the Rights-of-Way as it shall find necessary to ensure compliance with the terms of this Franchise and Applicable Law. Failure to obtain permits or to comply with permit requirements shall be grounds for revocation of this Franchise, or any lesser sanctions provided herein or in any other Applicable Law, code or regulation.
- 5.3) General Standard of Care.** Grantee shall erect and maintain all parts of the System in good condition and in accordance with industry standards, good engineering practices and manufacturer specifications throughout the entire Franchise term. All work authorized and required hereunder shall be done in a safe, thorough and workmanlike manner. - 5.4) Permits Required for Construction.** Prior to doing any work in the Right-of-Way or other public property, Grantee shall apply for, and obtain, appropriate permits from the City. As part of the permitting process, the City may impose such conditions and regulations as are necessary for the purpose of protecting any structures in such Rights-of-Way, proper restoration of such Rights-of-Way and structures, the protection of the public, and the continuity of pedestrian and vehicular traffic. Such conditions may also include the provision of a construction schedule and maps showing the location of the facilities to be installed in the Right-of-Way. Grantee shall pay all applicable fees for the requisite City permits received by Grantee.
- 5.5) Emergency Permits.** In the event that emergency repairs are necessary, Grantee shall immediately notify the City of the need for such repairs. Grantee may initiate such emergency repairs without required permits, and shall apply for appropriate permits within forty-eight (48) hours after discovery of the emergency.

If damage occurs, the Grantee shall promptly notify the property owner within twenty-four (24) hours in writing. Any Rights-of-Way, or any sewer, gas or water main or pipe, drainage facility,

It is agreed that in the normal course, with respect to fire and police department facilities and equipment, and water and sewer facilities, and other essential utilities and services, as determined by the City, such restoration, reconstruction, replacement or repairs shall be commenced immediately after the damage, disturbance or destruction is incurred, and the Grantee shall take diligent steps to complete the same, unless an extension of time is obtained from the appropriate City agency or department. In all other cases, reconstruction, replacement, restoration or repairs shall be commenced within no more than three (3) days after the damage, disturbance or destruction is incurred, and shall be completed as soon as reasonably possible thereafter. Grantee shall warrant any restoration work performed by or for Grantee in the Right-of-Way or on other public property for one (1) year. If restoration is not satisfactorily performed by the Grantee within a reasonable time, the City may, after prior notice to the Grantee, or without notice where the disturbance or damage may create a risk to public health or safety, cause the repairs to be made and recover the cost of those repairs from the Grantee. Within thirty (30) days of receipt of an itemized list of those costs, including the costs of labor, materials and equipment, the Grantee shall pay the City. If the Grantee shall fail to perform the repairs, replacement, reconstruction or restoration required herein, the City shall have the right to put the Rights-of-Way, public or private property back into good condition and recover the cost of repairs from the Grantee. In the event City determines that the Grantee is responsible for such disturbance or damage, the Grantee shall be obligated to fully reimburse the City for required repairs, reconstruction and restoration.

5.10) Use of Grantee Facilities. The City may install or affix and maintain wires and equipment owned by the City for City purposes in or upon any and all of Grantee's poles, ducts, conduits or equipment in the Rights-of- Way and other public places, without charge to the City or to the Grantee, to the extent space therein or thereon is reasonably available, does not interfere with Grantees facilities, and is pursuant to all Applicable Law. For the purposes of this subsection, "City purposes" includes, but is not limited to, the use of the structures and installations for City fire, police, traffic, water, telephone, and/or signal systems, but not for Cable Service in competition with Grantee. Grantee shall not deduct the value of such use of its facilities from its Franchise Fee payments or from other fees payable to the City.

5.11) Protect, Support, Temporarily Disconnect, Relocate or Remove. The Grantee shall, at its sole expense, by a reasonable time specified by the City, protect, support, temporarily disconnect, relocate or remove any of its property when required by the City by reason of traffic conditions; public safety; Rights-of-Way

construction; street maintenance or repair (including resurfacing or widening); change in Right-of-Way grade; construction, installation or repair of sewers, drains, water pipes, power lines, signal lines, tracks or any other type of government-owned communications or traffic control system, public work or improvement of government-owned utility; Right-of-Way vacation; or for any other purpose where the convenience of the City would be served thereby. If the Grantee fails, neglects or refuses to comply with the City's request, the City may protect, support, temporarily disconnect, relocate or remove the appropriate portions of the System at the Grantee's expense for any of the City's incremental costs incurred as a result of the Grantee's failure to comply. Except for the City's gross negligence, the City shall not be liable to the Grantee for damages resulting from the City's protection, support, disconnection, relocation or removal, as contemplated in the preceding sentence.

5.12) Conduit Facility.

(a) For the purposes of this subsection:

(1) "Attachment" means any optical fiber, coaxial cable or other wire, and any related device, apparatus or auxiliary equipment used to transmit or to support the transmission of voice, video or data.

(2) "Conduit" or "Conduit Facility" means any structure, or section thereof, containing one or more poles, wireholding structures, ducts, conduits, manholes, handhole or other such facilities in Grantee's Cable System.

(3) "Duct" means a single enclosed raceway for cables, fiber optics or other wires.

(4) "Licensee" means any Person licensed or otherwise permitted by the City to use the Rights-of-Way.

(5) "Surplus Ducts or Conduits" are Conduit Facilities other than those occupied by Grantee or any prior Licensee, or unoccupied Ducts held by Grantee as emergency use spares, or other unoccupied Ducts that Grantee reasonably expects to use within two (2) years from the date of a request for use.

(b) Grantee acknowledges that the Rights-of-Way have a finite capacity for containing Conduits. Therefore, Grantee agrees that whenever the City determines it is impracticable to permit construction of an underground Conduit system by any other Person which may at the time have authority to construct or maintain Conduits or Ducts in the Rights-of-Way, the City may require Grantee to afford to such Person the right to use Grantee's Surplus Ducts or Conduits in common with Grantee, pursuant to the terms and conditions of an agreement for use of Surplus Ducts or Conduits entered into by Grantee and the Licensee. Nothing herein shall require Grantee to enter into an agreement with such Person if, in Grantee's

reasonable determination, such an agreement could compromise the integrity of the Grantees System and Property.

- (c) A Licensee occupying part of a Duct shall be deemed to occupy the entire Duct.
- (d) Grantee shall give a Licensee a minimum of one hundred twenty (120) days notice of its need to occupy a leased Conduit and shall propose that the Licensee take the first feasible action as follows:
 - (1) Pay revised Conduit rent designed to recover the cost of retrofitting the Conduit with multiplexing, fiber optics or other space-saving technology sufficient to meet Grantee's space needs;
 - (2) Pay revised Conduit rent based on the cost of new Conduit constructed to meet Grantee's space needs;
 - (3) Vacate the needed Ducts or Conduit; or
 - (4) Construct and maintain sufficient new Conduit to meet Grantee's space needs.
- (e) When two or more Licensees occupy a section of Conduit Facility, the last Licensee to occupy the Conduit Facility shall be the first to vacate or construct new Conduit. When Conduit rent is revised because of retrofitting, space-saving technology or when new Conduit is constructed, all Licensees occupying the Grantee's ducts and conduits shall bear the increased cost.
- (f) All Attachments shall meet local, State, and federal clearance and other safety requirements, be adequately grounded and anchored, meet the provisions of contracts executed between Grantee and the Licensee, and comply with Applicable Law. Grantee may, at its option, correct any Attachment deficiencies and charge the Licensee for its costs, unless an agreement between the parties provides otherwise. Each Licensee shall pay Grantee for any fines, fees, damages or other costs the Licensee's attachments cause Grantee to incur, unless a contract between the parties provides otherwise. In all cases, a contract between the Grantee and Licensee shall provide that either the Grantee or the Licensee shall be responsible for payment of applicable fines, fees, damages or other costs owed to the City.

In order to enforce the provisions of this subsection with respect to Grantee, the City must demonstrate that it has required that all similarly situated users of the Rights-of-Way to comply with the provisions of this subsection.

5.13) Acquisition of Facilities. Upon Grantee's acquisition of facilities in any Right-of-Way, or upon City annexation or acquisition of any area in which Grantee owns or operates any facility, Grantee shall, at the City's request, submit to the City a statement describing all facilities involved, whether authorized by franchise, permit, license or other prior right, and specifying the location of all such

facilities to the extent Grantee has possession of such information. Such facilities shall immediately be subject to the terms of this Franchise if used to provide Cable Services.

5.14) Movement of Cable System Facilities For City Purposes. The City shall have the right to require Grantee to relocate, remove, replace, modify or disconnect Grantee's facilities and equipment located in the Rights-of-Way or on any other property of the City in the event of an emergency or when reasonable public convenience requires such change (for example, without limitation, by reason of traffic conditions, public safety, Right-of-Way vacation, Right-of-Way construction, change or establishment of Right-of-Way grade, installation of sewers, drains, gas or water pipes, or any other types of structures or improvements by the City for public purposes). Such work shall be performed at the Grantee's expense. Except during an emergency, the City shall provide reasonable notice to Grantee, not to be less than five (5) business days, and allow Grantee with the opportunity to perform such action. In the event of any capital improvement project exceeding \$500,000 in expenditures by the City which requires the removal, replacement, modification or disconnection of Grantee's facilities or equipment, the City shall provide at least sixty (60) days written notice to Grantee. Following notice by the City, Grantee shall relocate, remove, replace, modify or disconnect any of its facilities or equipment within any Right-of-Way, or on any other property of the City. If the City requires Grantee to relocate its facilities located within the Rights-of-Way, the City shall make a reasonable effort to provide Grantee with an alternate location within the Rights-of-Way. If funds are generally made available to users of the Rights-of-Way for such relocation, Grantee shall be entitled to its pro rata share of such funds. If the Grantee fails to complete this work within the time prescribed and to the City's satisfaction, the City may cause such work to be done and bill the cost of the work to the Grantee, including all costs and expenses incurred by the City due to Grantee's delay. Within thirty (30) days of receipt of an itemized list of the City's costs, the Grantee shall pay the City.

5.15) Accommodation for Other Authorized Users. If any removal, relaying or relocation is required to accommodate the construction, operation or repair of the facilities of a Person that is authorized to use the Rights-of-Way, the Grantee shall, after thirty (30) days' advance written notice and payment of all costs by such Person, commence action to effect the necessary changes requested by the responsible entity. If multiple responsible parties are involved, the City may resolve disputes as to the responsibility for costs associated with the removal, relaying or relocation of facilities among entities authorized to install facilities in the Rights-of-Way if the parties are unable to do so themselves, and if the matter is not governed by a valid contract between the parties or any State or federal law or regulation.

5.16) Temporary Changes for Other Permittees. At the request of any Person holding a valid permit and upon reasonable advance notice, Grantee shall temporarily raise, lower or remove its wires as necessary to permit the moving of a building, vehicle, equipment or other item. The expense of such temporary changes must be

paid by the permit holder, except when the permit holder is the City, in which case the Grantee shall move or remove its wiring free of charge, and Grantee may require a reasonable deposit of the estimated payment in advance.

5.17) Reservation of City Use of Right-of-Way. However, in the exercise of this right, the Grantee agrees not to cut or otherwise injure said trees to any greater extent than is reasonably necessary. This Franchise does not give the Grantee any authority to remove trees on private property in the City. All trimming shall be performed at no cost to the City and City residents.

5.19) Inspection of Construction and Facilities. The City may inspect any of Grantee's facilities, equipment or construction at any time upon at least twenty-four (24) hours' notice, or, in case of emergency, upon demand without prior notice. The City shall have the right to charge generally applicable inspection fees therefor. If an unsafe condition is found to exist, the City, in addition to taking any other action permitted under Applicable Law, may order Grantee, orally or in writing, to make the repairs and alterations necessary to correct the unsafe condition by a time the City establishes. The City has the right to correct, inspect, administer and repair the unsafe condition if Grantee fails to do so, and to charge Grantee therefor.

5.20) Stop Work.

(a) On notice from the City that any work is being performed contrary to the provisions of this Franchise, or in an unsafe or dangerous manner as determined by the City, or in violation of the terms of any applicable permit, laws, regulations, ordinances, or standards, the work may immediately be stopped by the City.

The Channel(s) shall be Activated upon the effective date of this Franchise and thereafter maintained. The City may rename, reprogram, or otherwise change the use of these channels in its sole discretion, provided such use is Noncommercial and retains the general purpose of the provision of community programming. Nothing herein shall diminish the City's rights to secure additional channels pursuant to Minn. Stat. § 238.084, which is expressly incorporated herein by reference. The City shall provide ninety (90) days prior written notice to Grantee of City's intent to activate Access Channels and shall allow Grantee reasonable time to vacate said channel(s).
- (3) The Grantee shall have the right to program one of the PEG Channels until such time as the City notifies the Grantee that it wishes to assume programming responsibilities. Upon receiving notification from the City, the Grantee shall, within three (3) months, discontinue routing video signals onto the PEG Channel, and take all steps necessary to permit the City to begin cablecasting Noncommercial PEG programming on the Channel.
- (4) The VHF spectrum must be used for the PEG Access Channel(s) required in this section. Grantee shall designate the channel locations of any other Access Channel(s) but may not move or otherwise change the channel number or location of any PEG access or community program channel without the written approval of the City, which approval shall not be unreasonably withheld.

- (5) Any PEG Channel shall not be relocated without the consent of the City which consent shall not be unreasonably withheld. If the City agrees to change the channel designation for any PEG Channel, the Grantee must provide at least three (3) months notice to the City prior to implementing the change, and shall reimburse the City and/or PEG entity for any reasonable costs incurred for: (i) purchasing or modifying equipment, business cards and signage; (ii) any marketing and notice of the channel change that the City reasonably determines is necessary; (iii) logo changes; and (iv) promoting, marketing and advertising the channel location of the affected PEG channel(s) during the three-month period preceding the effective date of the channel change, unless otherwise agreed upon in writing by the parties.
- (6) The Grantee shall provide, install and maintain (at no cost to the City) all equipment, facilities and software up to the Demarcation Point necessary to allow the City to independently insert PEG programming on the PEG channel(s). If the City requests return of either or both of the loaned channels identified above, the obligation described in this subsection shall at that time apply to the identified channel(s) as well.
- (7) As long as the Grantee's System carries Basic Cable Service channels in analog form, the Grantee must make the PEG channels available in analog form to Subscribers within the City. If and when the Grantee's Cable System carries PEG channels in digital form, those digital PEG channels must be made available as a digital service to all Subscribers in the City. At all times, the Grantee's Cable System must make the PEG channels available to all Basic Cable Service Subscribers residing within the City in at least one format (digital or analog); thus, the Grantee shall make the PEG channels available to all such Subscribers in analog form unless and until it makes Basic Cable Service channels available to Subscribers only in digital form.
- (8) In the event the Grantee makes any change in the System and related equipment and facilities or in signal delivery technology, which change directly or indirectly causes the signal quality or transmission of PEG channel programming or PEG services to fall below technical standards under Applicable Law, the Grantee shall, at its own expense, provide any necessary technical assistance, and training of PEG personnel, and in addition, provide necessary technical assistance so that PEG facilities may be used as intended, including, among other things, so that live and taped programming can be cablecasted efficiently to Subscribers.

- (9) All PEG channels shall be transmitted in the same format as all other Basic Cable Service channels and shall be carried on the Basic Service tier.
- (10) The Grantee shall provide Leased Access Channels as required by federal and State law.
- (b) **Charges for Use.** Channel time and playback of prerecorded programming on the PEG access and community program channel(s) must be provided without charge to the City and the public.
- (c) **Access Rules.** City, or its designee, may implement rules for use of any Access Channel(s).
- (d) **Access Support.**
- (1) Grantee shall collect from subscribers and quarterly pay to the City in support of PEG operations the full amount of revenues generated by a \$.75 per month, per subscriber, fee beginning upon the effective date of this Franchise. This fee may be separately itemized as a PEG fee and passed through to subscribers independent from rates regulated pursuant to FCC regulations. The City may require increases in the PEG fee up to a limit of \$1.25 increased annually by the Consumer Price Index (CPI) or three percent (3%), whichever is less. The City may not increase the PEG fee by more than twenty-five cents (\$.25) in any given year. The City shall notify Grantee of any such increase on or before September 30, assuming a January 1 implementation. Should Grantee change the date of any annual rate change from January 1, and so notify the City, then the City shall notify Grantee of any PEG increase at least ninety (90) days prior to the new Grantee rate change date. Such payment shall be separate from and in addition to the Franchise Fee.
- (2) Within sixty (60) days of the effective date of this Franchise, Grantee shall pay City \$100,000.00 as a capital equipment grant. Grantee may recoup said grant by retaining an amount up to fifty cents (\$.50) of the PEG fee. Such additional PEG fee shall be retained by Grantee until such time as the capital grant above is recouped, in accordance with Applicable Law. Upon such recoupment, Grantee shall notify the City. The City shall have the option of leaving the recoupment addition as part of the PEG fee on a going forward basis. Grantee shall pay this additional amount to the City in its regular PEG fee payment to the City. In the year of recoupment, the City may not increase the PEG fee an additional amount.
- (3) Except as expressly provided in this Franchise, the Grantee shall not make any changes in PEG support. Grantee shall notify City of any changes in the transmission, reception and carriage of PEG

Channels, and equipment associated therewith, within 90 days of the change.

- (4) The parties agree that any costs to the Grantee associated with the provision of support for PEG access pursuant to this Franchise, do not constitute and are not part of a Franchise Fee.

**ARTICLE 10.
ADMINISTRATION AND REGULATION**

10.1) Authority. The City shall be vested with the power and right to reasonably regulate the exercise of the privileges permitted by this Franchise in the public interest, or to delegate that power and right, or any part thereof, to the extent permitted under Applicable Law, in its sole discretion. Nothing in this Franchise shall limit or expand the City's right of eminent domain under State law.

10.2) Reserved Authority. The City reserves all regulatory authority arising from the Cable Act and any other relevant provisions of federal, State or local law.

10.3) Regulations Promulgated by City Council.

(a) In addition to the powers held by the City under the Minnesota Constitution, the City Charter and Applicable Law, the City Council is hereby authorized to promulgate by ordinance, in the exercise of its lawful powers, such additional regulations and requirements as it shall find necessary to effectuate fully and regulate the construction and operation of a Cable System pursuant to this Franchise.

(b) The Grantee may propose additional regulations by application to the City Council, but the City Council shall not adopt any such proposal until it expressly determines that such proposal is in the public interest and is consistent with the terms and conditions of this Franchise. Notwithstanding anything to the contrary, the City Council shall be under no obligation to adopt any proposal offered by the Grantee.

10.4) Rates and Charges. All of Grantee's rates and charges related to or regarding Cable Services shall be subject to regulation by the City to the full extent authorized by applicable federal, State and local laws.

10.5) Rate Discrimination. All of Grantee's rates and charges, excluding special/limited time promotional offers, shall be published (in the form of a publicly-available rate card) and be non-discriminatory as to all Persons and organizations of similar classes, under similar circumstances and conditions. Grantee shall apply its rates in accordance with governing law, with identical rates and charges for all Subscribers receiving identical Cable Services, without regard to race, color, ethnic or national origin, religion, age, sex, sexual orientation, marital, military or

economic status, or physical or mental disability or geographic location within the City. Grantee shall offer the same Cable Services to all Residential Subscribers at identical rates. Grantee shall permit Subscribers to make any lawful in-residence connections the Subscriber chooses without additional charge nor penalizing the Subscriber therefore. However, if any in-home connection requires service from Grantee due to signal quality, signal leakage or other factors, caused by improper installation of such in-home wiring or faulty materials of such in-home wiring, the Subscriber may be charged reasonable service charges by Grantee that comply with FCC rules and any rate orders issued by the City. Nothing herein shall be construed to prohibit:

- (a) The temporary reduction or waiving of rates or charges in conjunction with valid promotional campaigns; or
- (b) The offering of reasonable discounts to senior citizens or economically disadvantaged citizens; or
- (c) The offering of rate discounts for Cable Service; or
- (d) The Grantee from establishing different and nondiscriminatory rates and charges and classes of service for Commercial Subscribers, to the extent allowed by federal law and regulations.

10.6) Time Limits Strictly Construed. Whenever this Franchise sets forth a time for any act to be performed by Grantee, such time shall be deemed to be of the essence, and any failure of Grantee to perform within the allotted time may be considered a material breach of this Franchise, and sufficient grounds for the City to invoke any relevant remedy.

10.7) Periodic Evaluation.

- (a) **Notice.** The City may require evaluation sessions once every two years during the term of this Franchise, upon fifteen (15) days written notice to the Grantee.
- (b) **Topics.** Topics which may be discussed at any evaluation session may include, but are not limited to, application of new technologies, System performance, programming offered, Access Channels, PEG facilities and support, municipal uses of cable, Subscriber rates, customer Complaints, amendments to this Franchise, judicial rulings, FCC rulings, line extension policies and any other topics the City deems relevant.
- (c) **Good Faith Effort.** As a result of a periodic review or evaluation session, upon notification from City, Grantee shall meet with City and undertake good faith efforts to reach agreement on changes and modifications to the terms and conditions of this Franchise which are both economically and technically feasible.

10.8) Sale or Transfer of Franchise.

- (a) No sale or transfer of this Franchise, or Change of Control, sale, transfer or fundamental corporate change of or in Grantee, including, but not limited to, a fundamental corporate change in Grantee's parent corporation or any entity having a controlling interest in Grantee, the sale of a controlling interest in the Grantee's assets, a merger including the merger of a subsidiary and parent entity, consolidation or the creation of a subsidiary or Affiliate entity, shall take place until a written request has been filed with the City requesting approval of the sale, transfer and such approval has been granted or deemed granted, provided, however, that said approval shall not be required where Grantee grants a security interest in its Franchise and/or assets to secure an indebtedness. Upon notice to the City, Grantee may undertake legal changes necessary to consolidate the corporate or partnership structures of its Minnesota/Wisconsin Systems provided there is no change in the controlling interests which could materially alter the financial responsibilities for the Grantee.
- (b) Any Change of Control, sale, transfer, exchange or assignment of stock in Grantee, or Grantee's parent corporation or any other entity having a controlling interest in Grantee, so as to create a new controlling interest therein, shall be subject to the requirements of this Section.
- (c) The Grantee shall file, in addition to all documents, forms and information required to be filed by Applicable Law, the following: All contracts, agreements or other documents that constitute the proposed transaction and all exhibits, attachments or other documents referred to therein which are necessary in order to understand the terms thereof. The City shall have such time as is permitted by federal law in which to review a transfer request.
- (d) In no event shall a sale, transfer, corporate change or assignment of ownership or control pursuant to this Section be approved without the transferee becoming a signatory to this Franchise and assuming all rights and obligations hereunder and the parent of Transferee signing a Guaranty as defined and provided herein.
- (e) In the event of any proposed sale, transfer, corporate change or assignment, the City shall have the right to purchase the "System" serving the City for the fair-market value of the system as a going concern pursuant to USC 547. The City's right to purchase shall arise upon City's receipt of a transfer request. Upon receipt of a transfer request, the city shall have ninety (90) days to exercise its rights pursuant to this section.
- (f) No Franchise may be transferred if the City determines that Grantee is in noncompliance of the Franchise unless an acceptable compliance program has been approved by City. The approval of any transfer of ownership shall not be deemed to waive any rights of the City to subsequently enforce noncompliance issues relating to this Franchise.

(g) Any transfer or sale of the Franchise without the prior written consent of the City shall be considered to impair the City's assurance of due performance. The granting of approval for a transfer or sale in one instance shall not render unnecessary approval of any subsequent transfer or sale for which approval would otherwise be required.

(h) Any transfer of ownership prior to the completion of the Cable System as defined herein shall render this Franchise null and void.

10.9) The Grantee shall pay all transfer requirements and charges incidental to the enforcement of the franchise, including all the reasonable legal, administrative, and consulting costs and fees associated with the City's review of any request to transfer. Nothing herein shall prevent Grantee from negotiating partial or complete payment of such costs and fees by the transferee. Grantee may not itemize any such reimbursement on Subscriber bills, but may recover such expenses in its subscriber rates. Grantee reserves its rights to challenge any such payments herein as falling within the definition of Franchise Fee.

10.10) Compliance with Federal, State and Local Laws.

(a) If any federal or State law or regulation shall require or permit City or Grantee to perform any service or act or shall prohibit City or Grantee from performing any service or act which may be in conflict with the terms of this Franchise, then as soon as possible following knowledge thereof, either party shall notify the other of the point in conflict believed to exist between such law or regulation. Grantee and City shall conform to State laws and rules regarding cable communications not later than one (1) year after they become effective, unless otherwise stated, and to conform to federal laws and regulations regarding cable as they become effective.

(b) In the event that federal or State laws, rules or regulations preempt a provision or limit the enforceability of a provision of this Franchise, the provision shall be read to be preempted to the extent and for the time, but only to the extent and for the time, required or necessitated by law. In the event such federal or State law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the City.

(c) If any term, condition or provision of this Franchise or the application thereof to any Person or circumstance shall, to any extent, be held to be invalid or unenforceable, the remainder hereof and the application of such term, condition or provision to Persons or circumstances other than those as to whom it shall be held invalid or unenforceable shall not be affected thereby, and this Franchise and all the terms, provisions and conditions hereof shall, in all other respects, continue to be effective and complied with provided the loss of the invalid or unenforceable clause does not substantially alter the agreement between the parties. In the event such

law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision which had been held invalid or modified is no longer in conflict with the law, rules and regulations then in effect, said provision shall thereupon return to full force and effect and shall thereafter be binding on Grantee and City without further action by the City.

- (d) The Grantee shall, at all times during the term of this Franchise, including all extensions and renewals thereof, comply with Applicable Laws and regulations.

10.11) Conflict of Laws. In the event of any conflict between this Franchise and any lawfully applicable City ordinance or regulation that addresses usage of the Rights-of-Way, the conflicting terms in this Franchise shall be superseded by such City ordinance or regulation.

- (a) In the event any lawfully applicable City ordinance or regulation which addresses usage of the Rights-of-Way adds to, modifies, amends or otherwise differently addresses issues addressed in this Franchise, the Grantee shall comply with such ordinance or regulation of general applicability, regardless of which requirement was first adopted.

- (b) In the event the Grantee cannot determine how to comply with any Right-of-Way requirement of the City, whether pursuant to this Franchise or other requirement, the Grantee shall immediately provide written notice of such question, including the Grantee's proposed interpretation, to the City. The City shall provide a written response within ten (10) business days of receipt indicating how the requirements cited by the Grantee apply. The Grantee may proceed in accordance with its proposed interpretation in the event a written response is not received within thirteen (13) business days of mailing or delivering such written question.

**ARTICLE 11.
GENERAL FINANCIAL AND INSURANCE PROVISIONS**

11.1) Performance Bond.

- (a) **Amount and Conditions.** At the time the Franchise becomes effective and at all times thereafter, until the Grantee has liquidated all of its obligations with the City, the Grantee shall furnish a bond to the City in the amount of \$100,000.00 in a form and with such sureties as are reasonably acceptable to the City. This bond will be conditioned upon the faithful performance by the Grantee of its Franchise obligations and upon the further condition that in the event the Grantee shall fail to comply with any law, ordinance or regulation governing the Franchise, there shall be recoverable jointly and severally from the principal and surety of the bond after exhaustion of due process any damages or loss suffered by City as a result, including the full amount of any compensation, indemnification or cost of removal or

abandonment of any property of the Grantee, plus a reasonable allowance for attorneys' fees and costs, up to the full amount of the bond, and further guaranteeing payment by the Grantee of claims, liens and taxes due the City which arise by reason of the construction, operation, or maintenance of the System. The rights reserved by the City with respect to the bond are in addition to all other rights the City may have under the Franchise or any other law. The City may, from year to year, in its sole discretion, reduce the amount of the bond.

- (b) **Time to Cure.** The time for Grantee to correct any violation or liability shall be extended by City if the necessary action to correct such violation or liability is, in the reasonable determination of City, of such a nature or character as to require more than thirty (30) days within which to perform, provided Grantee provides written notice that it requires more than thirty (30) days to correct such violations or liability, commences the corrective action within the thirty (30)-day cure period and thereafter uses reasonable diligence to correct the violation or liability.
- (c) **Return of Performance Bond.** Grantee shall be entitled to the return of the performance bond, or portion thereof, as remains upon the expiration of the term of the Franchise or revocation for default thereof, provided City has not notified Grantee of any actual or potential damages incurred as a result of Grantee's operations pursuant to the Franchise or as a result of said default.
- (d) **Reservation of Rights.** The rights reserved to City with respect to the performance bond are in addition to all other rights of City whether reserved by this Franchise or authorized by law, and no action, proceeding or exercise of a right with respect to the performance bond shall affect any other right City may have.

11.2) Letter of Credit.

- (a) Within fourteen (14) days of receipt of a notice from the City of an alleged violation of this Franchise, as determined by the City, Grantee shall provide the City with an irrevocable Letter of Credit in the sum of Ten Thousand Dollars (\$10,000.00). The Letter of Credit shall insure the faithful performance by the Grantee of all the provisions of this Franchise, and compliance with all orders, permits and directions of the City and the payment by Grantee of any claim, penalties, damages, liens and taxes due the City related thereto or which arise by reason of the construction, operation or maintenance of the Cable System. The Letter of Credit shall be provided by Grantee regardless of whether Grantee disputes the alleged violation. Any failure by Grantee to provide the Letter of Credit as required herein shall constitute a breach of this Franchise. Any interest on this deposit shall be paid to the Grantee. Once the proceeding addressing the alleged violation has been completed the Grantee shall be relieved of maintaining the Letter of Credit until such time as another alleged

violation notification is received by Grantee at which time the process shall begin again.

- (b) In addition to the other remedies provided for herein, for a substantial violation of any material provision of this franchise (“violation”), liquidated damages in the amount of \$250 per day, with a maximum of \$10,000.00 that the violation continues may be awarded to Franchising Authority.
- (c) The liquidated damages described in the preceding section may at the Franchising Authority’s option, either be (i) awarded by a court of competent jurisdiction, (ii) awarded by an independent arbitrator appointed by the Chief Judge of Rice County District Court, to whose appointment, assessment and award Company hereby consents; (iii) or may be assessed in accordance with the following procedures:
- (d) A notice of intent to assess liquidated damages shall be served on Company by the Franchising Authority containing such facts and information as may be necessary to apprise Company of the liquidated damages being sought and the factual bases therefore.
- (e) Company may pay such proposed liquidated damages in full, cure the violation within forty-five (45) days, or if it desires to contest the violation, the Company shall have forty-five (45) days following the receipt of the notice to file an answer.
- (f) Franchising Authority shall schedule a public hearing on the notice within forty-five (45) days after the date upon which Company’s answer to the notice was to have been filed with Franchising Authority. At the hearing, Franchising Authority may request information from Company and may undertake any actions deemed necessary to render a decision on the notice and/or the Company’s answer thereto. Company shall have the right to present witnesses and evidence in its defense and to question the evidence of Franchising Authority.
- (g) Following the close of the hearing, the Franchising Authority shall, within thirty (30) days, render a written decision.
- (h) The action taken by Franchising Authority pursuant to these hearings shall, without further proceedings, become the final decision of Franchising Authority. In the event Franchising Authority determines that a violation has occurred, Company may appeal the decision to a court of competent jurisdiction for a judicial review. A hearing under this Section prohibits the accumulation of liquidated damages only until a court of competent jurisdiction renders a final decision.
- (i) If Company fails to pay to Franchising Authority any monetary obligations due and owing to Franchising Authority under the terms and conditions of this Franchise on the date when the obligation is due and payable to

Franchising Authority as provided for herein or if Company fails to pay to Franchising Authority any liquidated damages assessed against Company as provided for under this Part (such as within three (30) days after receiving notice of the assessment of liquidated damages following a hearing by Franchising Authority) Franchising Authority may claim against the Performance Bond for the amount owing to Franchising Authority as of that date.

- (j) The Franchising Authority has the right to apply any one or any combination of the remedies provided for in this Franchise, including without limitation all remedies provided for in this Section, and may without limitation pursue any rights, remedies or actions that it may have in law or equity. Notwithstanding the foregoing, if liquidated damages are assessed against Grantee for any violation of its obligations under this Franchise, they shall be considered the full and final resolution of the violation and shall constitute a waiver of any future claims regarding the violation.

11.3) Remedies Not Exclusive. The Franchising Authority has the right to apply any one or any combination of the remedies provided for in this Franchise, including without limitation all remedies provided for in this Section, and may without limitation pursue any rights, remedies or actions that it may have in law or equity. Notwithstanding the foregoing, if liquidated damages are assessed against Grantee for any violation of its obligations under this Franchise, they shall be considered the full and final resolution of the violation and shall constitute a waiver of any future claims regarding the violation.

- (a) Whenever the Letter of Credit is drawn upon, Grantee may, within seven (7) days of such draw, notify City in writing that there is a dispute as to whether a violation or failure has in fact occurred. Such written notice by Grantee to City shall specify with particularity the matters disputed by Grantee. All liquidated damages shall continue to accrue from the Letter of Credit during any appeal pursuant to this subparagraph (f).

- (1) City shall hear Grantee's dispute within sixty (60) days and render a final decision within sixty (60) days thereafter.

- (2) Upon the determination of City that no violation has taken place, City shall refund to Grantee, without interest, all monies drawn from the Letter of Credit by reason of the alleged violation.

- (b) If City draws upon the Letter of Credit or any subsequent Letter of Credit delivered pursuant hereto, in whole or in part, Grantee shall replace or replenish to its full amount the same within ten (10) days and shall deliver to City a like replacement Letter of Credit or certification of replenishment for the full amount stated in Section 8.2 (a) as a substitution of the previous Letter of Credit. This shall be a continuing obligation for any draws upon the Letter of Credit.

- (c) If any Letter of Credit is not so replaced or replenished, City may draw on said Letter of Credit for the whole amount thereof and use the proceeds as City determines in its sole discretion. The failure to replace or replenish any Letter of Credit may also, at the option of the City, be deemed a default by Grantee under this Franchise. The drawing on the Letter of Credit by City, and use of the money so obtained for payment or performance of the obligations, duties and responsibilities of Grantee which are in default, shall not be a waiver or release of such default.
- (d) The collection by City of any damages, monies or liquidated damages from the Letter of Credit shall not affect any other right or remedy available to City, nor shall any act, or failure to act, by City pursuant to the Letter of Credit, be deemed a waiver of any right of City pursuant to this Franchise or otherwise.

11.4) Indemnification of City.

- (a) The City and its officers, boards, committees, commissions, commissioners, elected and appointed officials, employees, volunteers and agents shall not be liable for any loss or damage to any real or personal property of any Person, or for any injury to or death of any Person arising out of or in connection with Grantee's construction, operation, maintenance, repair or removal of the System or as to any other action of Grantee with respect to this Franchise.
- (b) Nothing in this Franchise relieves a Person, from liability arising out of the failure to exercise reasonable care to avoid injuring the Grantee's facilities while performing work in the Rights-of-Way or in Public Property.
- (c) Relating to PEG programming or other City uses of the signal, the Grantee shall not be required to indemnify the City, nor is the Grantee liable, for negligence or misconduct on the part of the City or its officers, boards, committees, commissions, commissioners, elected or appointed officials, employees, volunteers or agents, including any loss or claims.

11.5) Insurance.

- (a) As a part of the indemnification provided herein, but without limiting the foregoing, Grantee shall file with City at the time of its acceptance of this Franchise, and at all times thereafter maintain in full force and effect at its sole expense, a comprehensive general liability insurance policy, including broadcaster's/cablecaster's liability and contractual liability coverage, in protection of the Grantee, the City and its officers, elected and appointed officials, boards, commissions, commissioners, agents, employees and volunteers for any and all damages and liquidated damages which may arise as a result of this Franchise. The broadcasters'/cablecasters' liability coverage specified in this provision shall be subject to the provisions herein regarding indemnification of the City.

(b) The policies of insurance shall be in the sum of not less than \$1,000,000.00 for personal injury or death of any one Person, and \$2,000,000.00 for personal injury or death of two or more Persons in any one occurrence, \$1,000,000.00 for property damage to any one person and \$2,000,000.00 for property damage resulting from any one act or occurrence.

(c) The policy or policies of insurance shall be maintained by Grantee in full force and effect during the entire term of the Franchise. Each policy of insurance shall contain a statement on its face that the insurer will not cancel the policy or fail to renew the policy, whether for nonpayment of premium, or otherwise, and whether at the request of Grantee or for other reasons, except after sixty (60) days advance written notice have been provided to the City.

11.6) Deductibles/Certificate of Insurance. Any deductible of the required insurance policies shall not in any way limit Grantee's liability to the City.

ARTICLE 12.

FRANCHISE FEE PAYMENT AND FINANCIAL CONTROLS

12.1) Franchise Fee. As compensation for the benefits and privileges granted under this Franchise and in consideration of permission to use the City's Rights-of-Way, Grantee shall pay as a Franchise Fee to the City, or its delegatee, throughout the term of this Franchise an amount equal to five percent (5%) of Grantee's Gross Revenues. Accrual of such Franchise Fee shall commence as of the Effective Date of this Franchise.

12.2) Acceptance of Payment and Recomputation. No acceptance of any payment shall be construed as an accord by the City that the amount paid is, in fact, the correct amount, nor shall any acceptance of payments be construed as a release of any claim the City may have for further or additional sums payable or for the performance of any other obligation of Grantee.

12.3) Underpayments. If a net Franchise Fee underpayment is discovered as the result of an audit, Grantee will be assessed damages and interest pursuant to Applicable Law.

12.4) Maximum Legal Compensation. The parties acknowledge that, at present, applicable federal law limits the City to collection of a maximum permissible Franchise Fee of five percent (5%) of Gross Revenues. In the event that at any time during the duration of this Franchise, the City is authorized to collect an amount in excess of five percent (5%) of Gross Revenues, then this Franchise may be amended unilaterally by the City to provide that such excess amount shall be added to the Franchise Fee payments to be paid by Grantee to the City hereunder, provided that Grantee has received at least ninety (90) days prior written notice from the City of such amendment.

12.5) Quarterly Payments. Any payments due under this provision shall be payable quarterly. The payment shall be made within thirty (30) days of the end of each of

Grantee's fiscal quarters together with a report, as required herein, showing the basis for the computation. The City shall have the right to require further supporting information for each Franchise Fee payment.

12.6) Penalty. In the event any Franchise Fee payment or recomputation amount is not made on or before the required date, the Grantee shall pay interest on the amount due of 1 ½% per month, 18% per year, or such other maximum rate allowed by law.

12.7) Deduction Prohibited. Nothing in this Franchise shall be construed to limit any authority of the City to impose any tax, fee or assessment of general applicability. The Franchise Fee payments required by this Franchise shall be in addition to any and all taxes or fees of general applicability. The Grantee shall not have or make any claim for any deduction or other credit of all or any part of the amount of said Franchise Fee payments from or against any of said taxes or fees of general applicability, except as expressly permitted by law. The Grantee shall not apply nor seek to apply all or any part of the amount of said Franchise Fee payments as a deduction or other credit from or against any of said taxes or fees of general applicability, except as expressly permitted by law. Nor shall the Grantee apply or seek to apply all or any part of the amount of any of said taxes or fees of general applicability as a deduction or other credit from or against any of its Franchise Fee obligations, except as expressly permitted by law.

12.8) Tax Liability. The Franchise Fees shall be in addition to any and all taxes or other levies or assessments which are now or hereafter required to be paid by businesses in general by any law of the City, the State or the United States including, without limitation, sales, use and other taxes, business license fees or other payments. Payment of the Franchise Fees under this Franchise shall not exempt Grantee from the payment of any other license fee, permit fee, tax or charge on the business, occupation, property or income of Grantee that may be lawfully imposed by the City. Any other license fees, taxes or charges shall be of general applicability in nature and shall not be levied against Grantee solely because of its status as a Cable Operator, or against Subscribers, solely because of their status as such.

12.9) Payment on Termination. If this Franchise terminates for any reason, the Grantee shall file with the City within ninety (90) calendar days of the date of the termination, a financial statement, certified by an independent certified public accountant, showing the Gross Revenues received by the Grantee since the end of the previous fiscal year. The City reserves the right to satisfy any remaining financial obligations of the Grantee to the City by utilizing the funds available in the letter of credit or other security provided by the Grantee.

ARTICLE 13. PROTECTION OF INDIVIDUAL RIGHTS

13.1) Discriminatory Practices Prohibited. Grantee shall not deny service, deny access or otherwise discriminate against Subscribers or general citizens on the basis of

race, color, religion, national origin, sex, age, status as to public assistance, affectional preference or disability. Grantee shall comply at all times with all other applicable federal, State and City laws.

13.2) Monitoring Individual Viewing Patterns Prohibited. No signals, including signals of a Class IV Cable Channel, may be transmitted from a Subscriber terminal for purposes of monitoring individual viewing patterns or practices without the express written permission of the Subscriber. Such written permission shall be for a limited period of time not to exceed one (1) year which may be renewed at the option of the Subscriber. No penalty shall be invoked for a Subscriber's failure to provide or renew such authorization. The authorization shall be revocable at any time by the Subscriber without penalty of any kind whatsoever. Such permission shall be required for each type or classification of Class IV Cable Channel activity planned for the purpose of monitoring individual viewing patterns or practices.

13.3) Subscriber Lists Prohibited. No lists of the names and addresses of Subscribers or any lists that identify the viewing habits of Subscribers shall be sold or otherwise made available to any party other than to Grantee or its agents for Grantee's service business use or to City for the purpose of Franchise administration, and also to the Subscriber subject of that information, unless Grantee has received specific written authorization from the Subscriber to make such data available. Such written permission shall be for a limited period of time not to exceed one (1) year which may be renewed at the option of the Subscriber. No penalty shall be invoked for a Subscriber's failure to provide or renew such authorization. The authorization shall be revocable at any time by the Subscriber without penalty of any kind whatsoever.

13.4) System Wide Monitoring. Written permission from the Subscriber shall not be required for the conducting of System wide or individually addressed electronic sweeps for the purpose of verifying System integrity or monitoring for the purpose of billing. Confidentiality of such information shall be subject to the provisions set forth herein.

ARTICLE 14.

UNAUTHORIZED CONNECTIONS AND MODIFICATIONS

14.1) Unauthorized Connections or Modifications Prohibited. It shall be unlawful for any firm, Person, group, Grantee, corporation or governmental body or agency, without the express consent of the Grantee, to make or possess, or assist anybody in making or possessing, any unauthorized connection, extension or division, whether physically, acoustically, inductively, electronically or otherwise, with or to any segment of the System or to receive services of the System without Grantee's authorization.

14.2) Removal or Destruction Prohibited. It shall be unlawful for any firm, Person, group, Grantee or corporation to willfully interfere, tamper with, remove, obstruct, or damage, or assist thereof, any part or segment of the System for any

purpose whatsoever, except for any rights the City may have pursuant to this Franchise or its police powers.

- 14.3) Penalty.** Any firm, Person, group, Grantee or corporation found guilty of violating this section may be fined not less than Twenty Dollars (\$20.00) and the costs of the action nor more than Five Hundred Dollars (\$500.00) and the costs of the action for each and every subsequent offense. Each continuing day of the violation shall be considered a separate occurrence.

ARTICLE 15. DEFAULT; REMEDIES

15.1) Event of Default. In the event of default by Grantee under this Franchise, the City Cable Administrator shall notify Grantee in writing, stating with reasonable specificity the nature of the alleged default. Grantee shall have thirty days to either cure the default or to provide satisfactory written proof that a cure cannot be completed within the thirty-day period, but that the cure is being actively and expeditiously pursued, and will be completed within a time certain. If the default is not fully cured within that thirty-day period following written demand; or if there is not written proof satisfactory to the City Cable Administrator that corrective action has been taken or is being actively and expeditiously pursued so that the cure will be completed by a time satisfactory to the City Cable Administrator; or if the City Cable Administrator provides the Grantee additional time to cure and the Grantee fails to cure within a time satisfactory to the City Cable Administrator; the City Cable Administrator may:

- (a) Recommend the revocation of this Franchise pursuant to the procedures herein;
- (b) Assess liquidated damages against Grantee as provided for herein; or
- (c) Recommend any other legal or equitable remedy available under this Franchise or any Applicable Law.

15.2) Procedure for Revocation.

- (a) **Public Hearing.** In the event revocation of this Franchise is recommended, the Grantee shall be provided the right to a public hearing affording due process before the City Council prior to the effective date of revocation, which public hearing shall follow the thirty (30) day notice provided herein. Such notice shall indicate with reasonable specificity the grounds for revocation that are believed to exist so that the Grantee may have a reasonable opportunity to cure or otherwise address the same. The City Council shall hear and consider the issue and shall hear any person interested therein, and shall determine, in its discretion, whether or not any violation by the Grantee has occurred. If the Council determines that the violation by the Grantee was within its control, and that the Grantee has failed to completely cure the violation, the council may, by resolution, declare that the Grantee's Franchise be revoked. Nothing herein prevents

the City from providing the Grantee with additional opportunities to cure. The City council may not give the Grantee any opportunity to comply where fraud and/or misrepresentation has been alleged and proved to the council's satisfaction. The City shall provide the Grantee with written notice of its decision together with written findings of fact supplementing said decision.

- (b) The administrative hearing shall be conducted so as to protect the full due process rights of the parties and provide for, at a minimum, the right to have counsel, the right to call and cross-examine witnesses, and the right to a full transcript of the proceedings.
- (c) After the close of the hearing, the City or the designated hearing officer shall issue a written decision based on the record of the proceedings, stating with specificity the findings and reasons supporting the decision.
- (d) Upon revocation, a Grantee shall have a period of one hundred and twenty (120) days subsequent to the date of the formal adoption of a revocation of the Franchise by the City within which to file an appeal with a court of competent jurisdiction.
- (e) **Full Force and Effect.** During the appeal period, the Franchise shall remain in full force and effect unless the term thereof sooner expires or unless continuation of the Franchise would endanger the health, safety and welfare of any person or the public.

15.3) Revocation. The City reserves the right to revoke the Franchise, in the event that Grantee substantially violates any material provision of this Franchise Agreement.

15.4) Conditions of Sale After Revocation or Termination. The Franchising Authority may, to the extent permitted by 47 U.S.C. § 547, acquire ownership of the system in accordance with the following conditions:

- (a) Upon revocation of a Franchise, a fair valuation shall be an equitable value that shall not include any sum attributable to the value of the Franchise itself.
- (b) At the expiration of a Franchise Agreement and following a denial of renewal of the Franchise Agreement, a fair valuation shall be the fair market value of the plant and property, exclusive of the value attributed to the Franchise itself.
- (c) In the event Franchising Authority shall acquire a Franchise pursuant to the provisions of this Ordinance or a Franchise Agreement, and commenced operation of the System, Franchising Authority shall reimburse the Grantee for the Fair Market Value of the System.

15.5) Remedies Nonexclusive. The rights reserved by the City herein are in addition to all other rights and remedies the City may have under this Franchise or any other law and are not intended to be exclusive, nor shall this provision be read to

supersede or limit the applicability of any penalty provisions under Applicable Law.

15.6) City Options in the Event of Expiration, Termination or Revocation. If this Franchise expires without renewal or is otherwise lawfully terminated or revoked, the City may, subject to Applicable Law:

- (a) Allow Grantee to maintain and operate its Cable System on a month-to-month basis or short-term extension of this Franchise for not less than six (6) months, unless a sale of the Cable System can be closed sooner or Grantee demonstrates to the City's satisfaction that it needs additional time to complete the sale;
- (b) Order removal of the System in accordance with § 15.11; or
- (c) Purchase Grantee's Cable System in accordance with the procedures set forth herein.

In the event that a sale has not been completed as set forth above, the City shall have the right to require the Grantee, at the Grantee's sole expense: (i) to remove all portions of the System from all Rights-of-Way within the City; and (ii) to restore affected sites to their original condition. Should the Grantee fail, refuse or neglect to comply with the City's directive, all portions of the System, or any part thereof, may at the option of the City become the sole property of the City, at no expense to the City; or the City may cause the work to be done and Grantee shall reimburse the City for the costs incurred within thirty (30) days after receipt of an itemized list of the costs, or the City may recover the costs through the letter of credit and/or performance bond provided by Grantee. The City shall not be liable to the Grantee for damages resulting from such removal, alteration or relocation. The indemnification performance bond and insurance provisions and the letter of credit shall remain in full force and effect during the period of removal, and Grantee shall not be entitled to, and agrees not to request, compensation of any sort therefor.

15.7) What Constitutes Abandonment. The Cable System shall be declared abandoned if:

- (a) The Grantee fails to provide Cable Service in accordance with this Franchise over a substantial portion of the Franchise Area for four (4) consecutive days, unless the City authorizes a longer interruption of service, or
- (b) The Grantee, for any period, willfully and without cause refuses to provide Cable Service in accordance with this Franchise.

15.8) Effect of Abandonment. If the Grantee abandons its Cable System during the Franchise term, or fails to operate its Cable System in accordance with its duty to provide continuous service, the City, at its option, may to the extent permitted by Applicable Law operate the Cable System; designate another entity to operate the Cable System temporarily until the Grantee restores service under conditions acceptable to the City, or until the Franchise is revoked and a new franchisee is

selected by the City; or obtain an injunction requiring the Grantee to continue operations. If the City is required to operate or designate another entity to operate the Cable System, the Grantee shall reimburse the City or its designee for all reasonable costs, expenses and damages incurred, or such expenses may be drawn from the performance bond and/or the letter of credit.

15.9) Removal After Abandonment, Termination or Forfeiture.

(a) In the event of revocation of the Franchise or abandonment or forfeiture of the System, the City shall have the right to require the Grantee to remove all or any portion of the System from all Rights-of-Way and public property within the City.

(b) If the Grantee has failed to commence removal of the System, or such part thereof as was designated by the City, within thirty (30) days after written notice of the City's demand for removal is given, or if the Grantee has failed to complete such removal within twelve (12) months after written notice of the City's demand for removal is given, the City shall have the right to apply funds secured by the letter of credit and performance bond toward removal and/or declare all right, title and interest to the System to be in the City with all rights of ownership including, but not limited to, the right to operate the System or transfer the System to another Person for operation by it.

15.10) Discontinuing Use of Cable System Facilities. Whenever Grantee intends to discontinue using any facility within the Rights-of-Way, Grantee shall submit for the City's approval a complete description of the facility and the date on which Grantee intends to discontinue using the facility. Grantee may remove the facility or request that the City permit it to remain in place. Notwithstanding Grantee's request that any such facility remain in place, the City may require Grantee to remove the facility from the Right-of-Way or modify the facility to protect the public health, welfare, safety, and convenience, or otherwise serve the public interest. The City may require Grantee to perform a combination of modification and removal of the facility. Grantee shall complete such removal or modification in accordance with a schedule set by the City. Until such time as Grantee removes or modifies the facility as directed by the City, or until the rights to and responsibility for the facility are accepted by another Person having authority to construct and maintain such facility, Grantee shall be responsible for all necessary repairs and relocations of the facility, as well as maintenance of the Right-of-Way, in the same manner and degree as if the facility were in active use, and Grantee shall retain all liability for such facility.

**ARTICLE 16.
REPORTS AND RECORDS**

16.1) Open Records. Grantee shall manage all of its operations in accordance with a policy of keeping its documents and records open and accessible to the City. The City, including the City's Auditor or his/her authorized representative, shall have access to, and the right to inspect, any books and records of Grantee, and its

parent corporations and Affiliates which are reasonably related to the administration or enforcement of the terms of this Franchise. Grantee shall not deny the City access to any of Grantee's records on the basis that Grantee's records are privileged, confidential or trade secret data, or under the control of any parent corporation, Affiliate or a third party. The City may, in writing, request copies of any such records or books and Grantee shall provide such copies within thirty (30) days of the transmittal of such request.

- 16.4) Gross Revenue Report.** Each Franchise Fee payment shall be accompanied by a written report to the City, verified by an authorized representative of Grantee, containing an accurate statement in summarized form, as well as in detail, of Grantee's Gross Revenues and the computation of the payment amount. Such reports shall detail all Gross Revenues of the Cable System and shall be drafted in accordance with GAAP.
- 16.5) Miscellaneous Reports.** The Grantee shall prepare and furnish to the City, at the times and in the form prescribed, such other reports with respect to Grantee's operations pursuant to this Franchise as the City may require.
- 16.6) Maps, Plats and Permanent Records.** If required by the City, the Grantee shall furnish to and file with the City the maps, plats and permanent records of the location and character of all facilities constructed, including underground facilities, and Grantee shall file with the City updates of such maps, plats and permanent records annually if changes have been made in the System.

- (a) A Gross Revenue statement, stating the total amount of Gross Revenues for the year and all payments, deductions and computations for the period. - 16.9) Complaint File and Reports.** Subject to the Grantee's obligations pursuant to law regarding privacy of certain information, the Grantee shall prepare and maintain written records of all Complaints received from the City and the resolution of such Complaints, including the date of such resolution. Such written records shall

The Grantee shall be responsible for providing the City all records necessary to confirm the accurate payment of Franchise Fees. The Grantee shall maintain such records for five (5) years, unless in the Grantee's ordinary course of business specific records are retained for a shorter period, but in no event less than three (3) years. If an audit or review discloses an overpayment or underpayment of Franchise Fees, the City shall notify the Grantee of such overpayment or underpayment. The City's audit or review expenses shall be borne by the City unless the audit or review determines that the payment to the City should be increased by more than five percent (5%) in the audited period, in which case the costs of the audit or review shall be borne by the Grantee as a cost incidental to the enforcement of the Franchise. If the recomputation results in additional revenue to be paid to the City, such amount shall be subject to a ten percent (10%) annual interest charge. If the audit or review determines that there has been an overpayment by the Grantee, the Grantee may credit any overpayment against its next quarterly payment.
