I have just completed one 3-year term and it feels like we are in the middle of a lot of good work I would like to continue with. I became secretary in 2018, and I believe I am performing an important function that no one else has expressed interest in taking on (at this point).

I own Northfield Yarn, and am supportive of the creative community here and care a lot about maintaining those aspects of Northfield that make it a great place to live and to visit, and arts and culture are an important part of that.
