

Minnesota Statutes Section 462.358 Subd. 2b. and 2c. as follows:

Subd. 2b. Dedication.

(a) The regulations may require that a reasonable portion of the buildable land, as defined by municipal ordinance, of any proposed subdivision be dedicated to the public or preserved for public use as streets, roads, sewers, electric, gas, and water facilities, storm water drainage and holding areas or ponds and similar utilities and improvements, parks, recreational facilities as defined in section 471.191, playgrounds, trails, wetlands, or open space. The requirement must be imposed by ordinance or under the procedures established in section 462.353, subdivision 4a.

(b) If a municipality adopts the ordinance or proceeds under section 462.353, subdivision 4a, as required by paragraph (a), the municipality must adopt a capital improvement budget and have a parks and open space plan or have a parks, trails, and open space component in its comprehensive plan subject to the terms and conditions in this paragraph and paragraphs (c) to (i).

(c) The municipality may choose to accept a cash fee as set by ordinance from the applicant for some or all of the new lots created in the subdivision, based on the average fair market value of the unplatted land for which park fees have not already been paid that is, no later than at the time of final approval or under the city's adopted comprehensive plan, to be served by municipal sanitary sewer and water service or community septic and private well as authorized by state law. For purposes of redevelopment on developed land, the municipality may choose to accept a cash fee based on fair market value of the land no later than the time of final approval.

(d) In establishing the portion to be dedicated or preserved or the cash fee, the regulations shall give due consideration to the open space, recreational, or common areas and facilities open to the public that the applicant proposes to reserve for the subdivision.
