Summarize your reasons for wanting to serve on this body:

I have lived in Northfield for 10 years and want to see a better Northfield in the future. As a land surveyor in the community I have seen some issues with the Land Development Code. I feel we can make some minor revisions to help our community members. I have an interest and desire to serve others with my gifts and talents.

Your background applicable to serving on this body:

I have over 25 years of experience as a land surveyor in the commercial and residential industry. I owned and operated a land surveying business in Northfield doing primarily private residential surveys for 6 years and I am familiar with the Land Development Code from a land surveyors perspective. I currently work for an engineering and surveying company that provides services to municipalities and understand the issues that municipalities face from a land surveying perspective.
