### **Sec. 30-104. Violations.**

- (a) Notice. Any person or registered retail business violating this article may be issued, either personally or by mail, a notice of violation/citation by the city clerk in consultation with the city administrator and chief of police that sets forth the alleged violation, the penalties imposed and timing for serving a suspension, and that informs the alleged violator of the alleged violator’s right to a hearing on the matter. The notice of violation/citation shall provide notice that a hearing must be requested by the alleged violator within ten business days of the date of issuance of the notice of violation/citation and that such hearing rights shall be

waived by the alleged violator and terminated if a hearing is not requested in writing by the alleged violator and filed with the city clerk within the ten business day period. Hearing requests must be made within ten business days of the issuance of the notice of violation/citation and delivered to the city clerk or other designated city officer. The city clerk or other designated city officer will set the time and place for the hearing. Written notice of the hearing time and place will be mailed or delivered to the accused violator at least ten calendar days prior to the hearing.
- (c) *Hearing officer.* The city council shall serve as the hearing officer or will designate a hearing officer. The hearing officer will be an impartial employee of the city or an impartial person retained by the city to conduct the hearing, if other than the city council.

Likewise, if the hearing officer finds that no violation occurred or finds grounds for not imposing any penalty, such findings shall be recorded and a copy provided to the acquitted accused violator by in person or mail delivery as soon as practicable.
- (e) *OCM notification of suspension.* Following issuance of a notice of suspension of the registration of a registered retail business by the city clerk pursuant to this article, the city clerk shall immediately notify the OCM and provide the OCM a copy of the notice of suspension issued to the registered retail business. The notice of suspension shall include a description of the grounds for such suspension. The city may hold a hearing pursuant to this article if timely requested by the alleged violator or stay such hearing pending a response from OCM. If a hearing is timely requested and held and a suspension is imposed, the city clerk shall additionally immediately notify the OCM and provide the OCM a copy of the hearing officer's order of suspension issued to the registered retail business. A suspension shall not be imposed and served until notice to OCM and any determination by OCM. The OCM may order reinstatement of the retail registration or take other action authorized by law, up to and including revocation of the state license for the cannabis retail business or lower-potency hemp edible retailer. Failure by OCM to respond or to timely respond following notice from the city clerk to OCM as provided herein shall not prohibit or limit the city's enforcement action or subsequent enforcement actions.
- (f) *Timing of suspension.* A suspension imposed following notice to OCM and a determination by OCM shall be served by the registered retail business on such date(s) as determined by the city clerk in consultation with the city administrator and chief of police and included in a subsequent written notice from the city clerk to the registered retail business. The noticed and ordered date(s) of suspension shall be consecutive days and shall be served by the registered retail business within 60 days following the final determination of suspension by OCM or as otherwise provided herein if OCM fails to respond following notice.
- (g) *Reinstatement.* The city may reinstate a retail registration if it determines that the violation(s) has been resolved. The city shall reinstate a registration if the OCM determines that the violation(s) has been resolved.

Stat. § 342.13(g) and corresponding state rules.
- (i) *Misdemeanor prosecution.* In addition to the process contained in this section for registration violations, violations of this article or failure to comply with any of its requirements herein shall constitute a criminal misdemeanor offense and may be prosecuted accordingly.
- (j) *Continued violation.* Each violation, and every day in which a violation occurs or continues, shall constitute separate offenses.
- (k) *Hearing costs and expenses.* If the notice of violation/citation is upheld by the hearing officer, the city's actual expenses in holding the hearing up to a maximum of \$1,000.00 shall be paid by the person requesting the hearing and shall be in addition to any penalties imposed. In such event, hearing expenses shall be included as part of the hearing officer's findings and paid at the same time the penalty is paid.
- (l) *Timely payment.* In the event that any imposed penalty or hearing costs and expenses are not timely paid in accordance with the notice of violation/citation or the hearing officer's decision, as applicable, such failure shall serve as grounds for additional enforcement actions, up to and including but not limited to immediate retail registration suspension as provided in this article.

### **Sec. 30-105 Penalties.**

- (a) *Penalties generally.* In addition to any other penalties that may be imposed under this article, any registered retail business with a retail registration from the city found to have violated this article, or whose employee shall have violated this article, shall be subject to suspension in accordance with the following schedule:

Notwithstanding the foregoing and the penalties contained in the city clerk's notice of violation/citation, the hearing officer, following notice and a hearing as provided in section 30-104, may deviate from the administrative penalties provided above herein, by increasing or decreasing such imposed penalties subject to statutory limits, based upon the hearing officer's findings following consideration of the facts, circumstances, history and evidence presented and such other factors and evidence as the hearing officer deems relevant. A history of repeated violations extending beyond the time periods stated herein may be

considered by the hearing officer to impose a longer suspension period or revocation or non-renewal of a registration as provided in this article subject to OCM approval or corresponding enforcement actions by the OCM.

- (b) Civil penalty for registration violations. Subject to Minn. Stat. § 342.22, subd. 5(e), the city may impose a civil penalty, as specified in the city's Fee Schedule, not to exceed \$2,000, on any cannabis retail business or lower-potency hemp edible retailer which makes any sale to a customer or patient without a valid retail registration pursuant to this article or for any other registration violation.
- (c) Criminal penalty. Any violation of the provisions of this article or failure to comply with any of its requirements constitutes a misdemeanor and is punishable as defined by law. Nothing in this section shall prohibit the city from seeking prosecution as a misdemeanor for any violation of this article. Prosecution may precede, run consecutively with, or follow any administrative civil enforcement action. Violations of this article can occur regardless of whether or not a permit is required for a regulated activity listed in this article.

### **Sec. 30-106. Exceptions and defenses.**

Nothing in this article shall prevent the providing of sales by a registered cannabis retail business or lower-potency hemp edible retailer to a person under the age of 21 as part of a lawfully recognized religious, spiritual, or cultural ceremony.
