Re: Bid Results
Elevated and Ground Water Storage Tanks
BMI Project No. T21.118307

Dear Mr. Wagner:

Seven (7) bids were submitted for the Elevated and Ground Water Storage Tanks project on July 11, 2019. The bids for the project ranged from \$634,400 to \$1,056,000. The Engineer's cost opinion for this project was \$810,000. The low bid price is from Champion Tank Services.

The following is a table listing the bidders, bid prices, average evaluation scores, and the adjusted prices:

Contractor	Bid Price
Champion Tank Services, LLC	\$634,400.00
Utility Service Co., Inc	\$814,300.00
McGuire Iron, Inc	\$822,150.00
Classic Protective Coatings, Inc	\$932,250.00
Viking Industrial Painting	\$939,400.00
TMI Coating	\$1,056,000.00
M.K. Painting, Inc	No Acknowledgment of Addendums

Based on the summary above, if the City Council wishes to award the Project to the lowest bidder, then **Champion Tank Services, LLC** should be awarded the Project on the Total Base Bid Amount of **\$634,400.00**.

Sincerely,

Bolton & Menk, Inc.

Seth A. Peterson, P.E.
Principal Engineer
