SECTION IV – TERM AND TERMINATION

- A. **Term.** This Contract shall be in effect until such time as the Project is completed, but in no event later than December 31, 2017.
- B. **Default.** If CONSULTANT fails to satisfy any of the provisions of this Contract, or so fails to perform and/or administer the services detailed in Exhibit 1, attached hereto, pursuant to the requirements of Section I of this Contract, in such a manner as to endanger the performance of the Contract or the services provided hereunder, this shall constitute default. Unless CONSULTANT's default is excused by EDA, EDA may, upon written notice, immediately cancel this Contract or exercise any other rights or remedies available to EDA under this Contract or law. In the event of CONSULTANT's default, CONSULTANT shall be liable to EDA for any and all costs, disbursements, attorney and consultant fees reasonably incurred by EDA in enforcing this Contract.
- C. **Suspension of Work.** If any work performed by CONSULTANT is abandoned or suspended in whole or in part by the EDA, CONSULTANT shall be paid for any services performed to the satisfaction of the EDA Staff Liaison prior to CONSULTANT's receipt of written notice from the EDA of such abandonment or suspension, but in no event shall the total of EDA's payments to CONSULTANT under this Contract be required to exceed a percentage of the total contract price (calculated by either the Contract price or the maximum price set forth in Exhibit 3, attached hereto) equivalent to the percentage of the scope of services completed by CONSULTANT to the satisfaction of the EDA Staff Liaison as determined by the EDA.
- D. **Executive Director Position Vacancy.** In the event of vacancy of the Executive Director position, the CONSULTANT shall within five days of the effective date of the vacancy, or sooner if possible, provide notice in accordance with Section VI.C. to the EDA of said vacancy. The EDA, following receipt of such notice, shall have 30 days thereafter to evaluate the services of the CONSULTANT and the continuation of the Contract through its term. The EDA may terminate this Contract during the 30 day period, in its sole judgment and discretion, compensating CONSULTANT for those services rendered through the date of termination. Notice of termination shall be in writing and shall be effective if made at any time during the 30 day evaluation period. During the 30 day evaluation period, the EDA may also propose amendments to the scope of services in accordance with Section I.B. of this Contract.

SECTION V – INDEMNIFICATION

- A. CONSULTANT shall indemnify, protect, save, hold harmless and insure the EDA, and its respective officers, directors, employees and members and agents, from and against any and all claims and demands for, or litigation with respect to, all damages which may arise out of or be caused by CONSULTANT or its agents, employees, contractors, subcontractors, or sub-consultants with respect to CONSULTANT's performance of its obligations under this Contract. CONSULTANT shall defend the EDA against the foregoing, or litigation in connection with the foregoing, at CONSULTANT's expense, with counsel reasonably acceptable to the EDA. The EDA, at its expense, shall have the

right to participate in the defense of any Claims or litigation and shall have the right to approve any settlement, which approval shall not be unreasonably withheld. The indemnification provision of this Section shall not apply to damages or other losses proximately caused by the negligence or willful misconduct of the EDA. All indemnification obligations shall survive termination, expiration or cancellation of this Contract. CONSULTANT agrees, that in order to protect itself and the EDA under the indemnity provisions set forth above, it will at all times during the term of this Contract keep in force policies of insurances required in the Paragraph entitled, "Insurance." Nothing in this Contract shall be construed to waive any immunities or limitations to which EDA is entitled under Minn. Stat. Chapter 466 or otherwise.

- B. Nothing contained in this Contract shall create a contractual relationship with or a cause of action in favor of a third party against the EDA or CONSULTANT. CONSULTANT's services under this Contract are being performed solely for the EDA's benefit, and no other entity shall have any claim against CONSULTANT because of this Contract or the performance or nonperformance of services provided hereunder.

- G. **Modifications/Amendment.** Either party may request a modification or amendment to this Contract by presenting a written request to the other Party explaining the change requested and the reason(s) for such request. The Party to whom the request is addressed shall then consider and respond to such request within 60 days after receiving the request, but nothing herein shall require any Party to agree to a proposed modification or amendment, and nothing herein shall authorize a proposed change or amendment to take effect without the consent of the non-requesting Party. Any alterations, variations, modifications, amendments or waivers of the provisions of this Contract shall only be valid when they have been reduced to writing, and signed by authorized representative of the EDA and CONSULTANT.
- H. **Records—Availability and Retention.** Pursuant to Minn. Stat. § 16C.05, subd. 5, CONSULTANT agrees that the EDA, the City of Northfield, the State Auditor, or any of their duly authorized representatives at any time during normal business hours and as

often as they may reasonably deem necessary, shall have access to and the right to examine, audit, excerpt, and transcribe any books, documents, papers, records, etc., which are pertinent to the accounting practices and procedures of CONSULTANT and involve transactions relating to this Contract. CONSULTANT agrees to maintain these records for a period of six years from the date of termination of this Contract.

- I. **Force Majeure.** The PARTIES shall each be excused from performance under this Contract while and to the extent that either of them are unable to perform, for any cause beyond its reasonable control. Such causes shall include, but not be restricted to fire, storm, flood, earthquake, explosion, war, total or partial failure of transportation or delivery facilities, raw materials or supplies, interruption of utilities or power, and any act of government or military authority. In the event either party is rendered unable wholly or in part by force majeure to carry out its obligations under this Contract then the party affected by force majeure shall give written notice with explanation to the other party immediately.
- J. **Compliance with Laws.** CONSULTANT shall abide by all Federal, State and local laws, statutes, ordinances, rules and regulations now in effect or hereinafter adopted pertaining to this Contract or to the facilities, programs and staff for which CONSULTANT is responsible.
- K. **Covenant Against Contingent Fee.** CONSULTANT warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for CONSULTANT to solicit or secure this Contract, and that it has not paid or agreed to pay any company or person, other than a bona fide employee, any fee, commission, percentage, brokerage fee, gift or any other consideration, contingent upon or resulting from award or making of this Contract.
- L. **Covenant Against Vendor Interest.** CONSULTANT warrants that it is not employed by any vendor of equipment or service provider that could result in a commission, percentage, brokerage, or contingent fee as a result of CONSULTANT's association with the EDA.
- M. **Non-Discrimination.** The provisions of any applicable law or ordinance relating to civil rights and discrimination shall be considered part of this Contract as if fully set forth herein.
- N. **Interest by EDA or City Officials.** No elected official, officer, or employee of the EDA or the City of Northfield shall during his or her tenure or employment and for one year thereafter, have any interest, direct or indirect, in this Contract or the proceeds thereof.

CONSULTANT understands that all of the data created, collected, received, stored, used, maintained or disseminated by CONSULTANT in performing those functions that the EDA would perform is subject to the requirements of the Act, and CONSULTANT must comply with those requirements as if it were a government entity. This does not create a duty on the part of CONSULTANT to provide the public with access to public data if the public data is available from the EDA, except as required by the terms of this Contract.
- R. **No Waiver.** Any Party's failure in any one or more instances to insist upon strict performance of any of the terms and conditions of this Contract or to exercise any right herein conferred shall not be construed as a waiver or relinquishment of that right or of that Party's right to assert or rely upon the terms and conditions of this Contract. Any express waiver of a term of this Contract shall not be binding and effective unless made in writing and properly executed by the waiving Party.
- S. **Patented Devices, Materials and Processes.** If this Contract requires, or the CONSULTANT desires, the use of any design, device, material or process covered by letters, patent or copyright, trademark or trade name, CONSULTANT shall provide for such use by suitable legal agreement with the patentee or owner and a copy of said agreement shall be filed with EDA. If no such agreement is made or filed as noted, CONSULTANT shall indemnify and hold harmless EDA from any and all claims for infringement by reason of the use of any such patented designed, device, material or process, or any trademark or trade name or copyright in connection with the services agreed to be performed under the Contract, and shall indemnify and defend EDA for any costs, liability, expenses and attorney's fees that result from any such infringement.
- T. **Mechanic's Liens.** CONSULTANT hereby covenants and agrees that CONSULTANT will not permit or allow any mechanic's or materialman's liens to be placed on the EDA's interest in any Property that is the subject of the Project during the term hereof. Notwithstanding the previous sentence, however, in the event any such lien shall be so placed on EDA's interest, CONSULTANT shall take all steps necessary to see that it is removed within thirty (30) days of its being filed; provided, however, that CONSULTANT may contest any such lien provided CONSULTANT first posts a surety bond, in favor of and insuring EDA, in an amount equal to 125% of the amount of any such lien.
- U. **Severability.** The invalidity or unenforceability of any provision of this Contract shall not affect the validity or enforceability of any other provision. Any invalid or

unenforceable provision shall be deemed severed from this Contract to the extent of its invalidity or unenforceability, and this Contract shall be construed and enforced as if the Contract did not contain that particular provision to the extent of its invalidity or unenforceability.

- V. **Entire Contract.** These terms and conditions constitute the entire Contract between the PARTIES regarding the subject matter hereof. All discussions and negotiations are deemed merged in this Contract.
- W. **Headings and Captions.** Headings and captions contained in this Contract are for convenience only and are not intended to alter any of the provisions of this Contract and shall not be used for the interpretation of the validity of the Contract or any provision hereof.
- X. **Survivability.** All covenants, indemnities, guarantees, releases, representations and warranties by any Party or PARTIES, and any undischarged obligations of the EDA and CONSULTANT arising prior to the expiration of this Contract (whether by completion or earlier termination), shall survive such expiration.
- Y. **Execution.** This Contract may be executed simultaneously in two or more counterparts that, when taken together, shall be deemed an original and constitute one and the same document.
