Northfield, MN

Dear Monte Nelson:

Attached you will find a Ford spec sheet with a vehicle matching your requirements, there is no price difference between black or white. Based on the specifications listed we would be able to order and deliver the three vehicles to the city for a final price of \$28,629 each plus all applicable taxes and fees. Hopefully this works for you, please feel free to call or email me with any questions you may have. Thanks for the opportunity and we look forward to working with the city again.

Sincerely,

Brad Silk
