The City of Northfield, Minnesota, a municipality organized and existing under the Constitution, laws of the State of Minnesota and Charter of the City (hereinafter called the “City”), hereby promises to pay Community Resource Bank, a _____, its successors or registered assigns (the “Holder”), from the source and in the manner hereinafter provided, the principal sum of FIVE MILLION NINE HUNDRED EIGHTY THOUSAND and no hundredths DOLLARS (\$5,980,000), or so much thereof as has been advanced and remains unpaid from time to time (the “Principal Balance”), with interest thereon from the date hereof until paid or otherwise discharged at the rate of 3.25% per annum, in any coin or currency which at the time or times of payment is legal tender for the payment of public or private debts in the United States of America, in accordance with the terms hereinafter set forth.

Accrued interest on this Bond shall be payable on the 1st day of each month, commencing March 1, 2023, and continuing through September 1, 2032 (the “Maturity Date”) in the amounts set forth in **Exhibit A** attached hereto. Payments of principal on this Bond shall be payable on each September 1, commencing September 1, 2023, and continuing through the Maturity Date in the amounts set forth in **Exhibit A** attached hereto. Payments shall be applied first to amounts which are neither principal nor interest, next to interest due on the Principal Balance and thereafter to reduction of the Principal Balance. If any Payment Date should not be a Business Day (as defined in the Indenture referred to below)) such payment shall be made on the next succeeding Business Day, without additional interest accruing thereon for the period after such Payment Date (whether or not such next succeeding Business Day occurs in a succeeding month) and such payment shall be treated as if received on the Payment Date.

This Bond is issued under a certain Second Amended and Restated Indenture of Trust, dated as of December 1, 2018 (the “2018 Indenture”), between the City and Wells Fargo, Bank National Association, as trustee, as supplemented by a First Supplement to Second Amended and

Restated Indenture of Trust, dated as of September 1, 2022 (the “Supplement”), between the City and Computershare Trust Company, N.A., in Minneapolis, Minnesota as trustee (the “Trustee,” which term includes any successor trustee under the Indenture) (collectively, the “Indenture”).

Upon the failure to pay the principal of or interest on this Bond when due or upon the occurrence of any Event of Default, as defined in the Indenture, interest on the Principal Balance shall accrue, from the date on which the Holder notifies the Borrower in writing of such Event of Default, at a rate per annum equal to the sum of the interest rate otherwise payable hereunder plus (a) 400 basis points, in the case of a monetary Event of Default; or (b) 200 basis points, in the case of a non-monetary Event of Default under the Indenture (“Default Rate”). A late payment fee in an amount equal to 5% of the delinquent amount shall be paid with respect to all payments not made within 10 days of the date due; provided however, that such late payment fee does not apply to any amounts due by reason of acceleration.

Upon a Determination of Taxability, as defined below, this Bond shall convert to a taxable obligation and the interest rate for interest accruing from the Date of Taxability, as defined in below, shall be adjusted to an interest rate per annum equal to the then current Initial Rate or Adjusted Rate divided by .65 (the “Taxable Rate”). Any interest accruing from the Date of Taxability which is retroactively due as a result of the interest rate adjustment shall be payable on the 1st day of the following month along with regularly scheduled principal payment and interest accruing from the previous payment date at the Taxable Rate. The interest rate as adjusted shall remain in effect through and including the Maturity Date. Notwithstanding anything to the contrary in the Indenture or this Bond, a Determination of Taxability will not constitute an Event of Default with respect to this Bond. For the purpose of this paragraph, a “Determination of Taxability” shall mean the issuance of a statutory notice of deficiency by the Internal Revenue Service, or a ruling of the National Office or any District Office of the Internal Revenue Service, or a final decision, judgment or order of a court of competent jurisdiction, or an enactment of federal legislation which holds or provides in effect that the interest payable on this Bond is included, for federal income tax purposes under Section 103 of the Code in the gross income of the Holder hereof for any reason, if the period, if any, for contest or appeal of such action, ruling or decision by the City or the Holder or any other interested party has expired without any such contest or appeal having been properly instituted by the City, the Holder or any other interested party. The expenses of any such contest shall be paid by the party initiating the contest, and neither the Holder nor the City shall be required to contest or appeal any Determination of Taxability. The “Date of Taxability” shall mean that point in time, as specified in the determination, ruling, order, or decision, that the interest payable on this Bond becomes includible in the gross income of the Holder hereof for federal income tax purposes.

This Bond (the “Series 2022B Bond”) is issued in the principal amount of \$5,980,000 to finance the construction, installment and equipping of various improvements to the City’s existing hospital facilities (the “Hospital”) and capital expenditures related thereto (the “Project”), which Hospital is owned by the City. Reference is made to the Indenture, copies of which are on file with the Trustee, for a complete description of the agreements and covenants contained therein and a description of the trust estate pledged thereby.

This Series 2022B Bond is issued and secured on a parity with the City’s existing Series 2015B Bond, Series 2016A Bond and the Series 2016B Bond (all as defined in the Indenture) and

the Indenture permits the City to issue additional bonds upon the terms set forth therein, which bonds, if issued, would be secured on a parity with the Series 2015B Bond, the Series 2016A Bond, the Series 2016B Bond and this Series 2022B Bond (collectively, the “Bonds”) by the Net Revenues and Trust Estate pledged under and defined in the Indenture.

This Series 2022B Bond is issued pursuant to and in full compliance with the City’s Charter and the Constitution and laws of the State of Minnesota, particularly Minnesota Statutes, Sections 447.45 to 447.50, inclusive, as amended, and pursuant to the Indenture. The Series 2022B Bond is not a general obligation of the City and the taxing power of the City is not pledged to the payment of the Series 2022B Bond or the interest thereon. The pledge of Net Revenues to the payment of Bonds is a first and prior lien on the Net Revenues. No Holder of this Series 2022B Bond shall ever have the right to compel any exercise of the full faith and credit and taxing power of the City to pay this Series 2022B Bond or the interest hereon, or to enforce payment thereof against any property of the City other than Net Revenues. The State of Minnesota and the Counties of Rice and Dakota shall not in any event be liable for the payment of the principal of, premium, if any, or interest on the Series 2022B Bond or for the performance of any pledge, obligation or agreement of any kind whatsoever that may be undertaken by the City. Neither the Series 2022B Bond nor any of the agreements or obligations of the City relating thereto shall be construed to constitute an indebtedness of the State of Minnesota, the Counties of Rice and Dakota or the City within the meaning of any constitutional or statutory provisions whatsoever, nor constitute or give rise to a pecuniary liability or be a charge against the general credit or taxing powers of the State, Counties or City. The issuance of this Series 2022B Bond does not cause the indebtedness of the City to exceed any constitutional or statutory or Charter limitation.

Additional bonds with a parity or subordinate lien to the lien of the Bonds on the Net Revenues of the Hospital may be issued by the City as provided in the Indenture.

The Series 2022B Bond is subject to redemption at the option of the City prior to the Maturity Date in whole on any date, upon 30 days’ prior written notice to the Trustee and the Holder hereof, at a price equal to the principal amount thereof plus accrued interest to the date of redemption upon the occurrence of any of the following events: (1) the Hospital Facilities (as defined in the Indenture) shall have been damaged or destroyed to such extent that, in the reasonable opinion of the City, the completion time for the repair and restoration thereof will exceed six months, or (2) there occurs the condemnation of all or substantially all of the Hospital Facilities or the taking by eminent domain of such use or control of the Hospital Facilities so as to render the Hospital Facilities unsatisfactory for this intended use for a period of at least 90 days.

The Series 2022B Bond is subject to optional redemption and prepayment at the option of the City prior to the Maturity Date, in whole or in part, on any date, upon 30 days’ prior written notice to the Trustee and the Holder hereof, at a price equal to the principal amount hereof to be redeemed, plus accrued interest to the redemption date, without premium.

All Bonds so called for redemption will cease to bear interest on the specified redemption date, provided funds for their redemption have been duly deposited, and, except for the purpose of payment, shall no longer be protected by the Indenture and shall not be deemed Outstanding under the provisions of the Indenture.

If provision is made for the payment of principal of, premium, if any, and interest on this Series 2022B Bond in accordance with the Indenture, this Series 2022B Bond shall no longer be deemed Outstanding under the Indenture, shall cease to be entitled to the benefits of the Indenture and shall thereafter be payable solely from the funds provided for such payment.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the City and the rights of the Holders of the Bonds at any time with the consent of the Holders of a majority in aggregate principal amount of the Bonds at the time Outstanding which are affected by such amendment or modification. The Indenture also contains provisions permitting Holders of a majority in aggregate principal amount of the Bonds of all series at the time Outstanding, on behalf of all the Holders of all the Bonds, to waive compliance by the City with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Bond shall be conclusive and binding upon such Holder and on all future Holders of this Bond and of any Bond issued in lieu hereof whether or not notation of such consent or waiver is made upon this Bond.

The Holder of this Bond shall have no right to enforce the provisions of the Indenture, to institute action to enforce the covenants therein, to take any action with respect to a default under the Indenture or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

As provided in the Indenture and subject to certain limitations therein set forth, this Bond is transferable on the Bond Register upon surrender of this Bond for transfer to the Trustee as Bond Registrar duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the City and the Bond Registrar duly executed by, the Holder hereof or its attorney duly authorized in writing, and thereupon a new Bond of the same series, for the same aggregate principal amount and of the same stated maturity and interest rate will be issued to the designated transferee or transferees.

No service charge shall be made for any transfer or exchange hereinbefore referred to, but the City or Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The City, the Trustee and any agent of the City may treat the person in whose name this Bond is registered as the absolute owner hereof for all purposes whether or not this Bond is overdue, and neither the City, the Trustee nor any such agent shall be affected by notice to the contrary.

This Series 2022B Bond has been designated by the City as a “qualified tax-exempt obligation” for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all conditions, acts and things required to exist, to happen and to be performed precedent to or in the issuance of this Bond and the issue of which it is a part do exist, have happened and have been performed in regular and due form as required by law, and that the issuance of this Bond and the series of which it forms a part, together with all other obligations of the City, does not exceed or violate any constitutional, statutory or charter limitation of indebtedness.

Additional provisions of this Bond are contained on the reverse hereof and such provisions shall for all purposes have the same effect as though fully set forth hereon.

Unless the certificate of authentication hereon has been executed by the Trustee by manual signature of one of its authorized representatives, this Bond shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

IN WITNESS WHEREOF, the City of Northfield, Dakota and Rice Counties, Minnesota, has caused this Bond to be executed in its behalf by the manual signatures of its Mayor and its City Clerk, the corporate seal of the City having been intentionally omitted as permitted by law, dated as of the date of issuance set forth above.
