RICE COUNTY, MINNESOTA***

RESOLUTION #18-049

Establishing the Rice County Community and Justice Council

WHEREAS, Implementation of a Rice County Community and Justice Council (RCCJC) creates a systems approach to Rice County criminal justice issues; and

WHEREAS, A RCCJC creates a forum to improve communications and relationships among the participating agencies; and

WHEREAS, A RCCJC offers an opportunity to engage city and county administrations and community stakeholders in a process to allocate resources based on needs, performance and locally reviewed data; and

WHEREAS, A RCCJC is designed to improve the overall functioning of the Rice County criminal justice system, improve the quality of life for residents of the county, and establish a solid foundation for policy-maker collaborative efforts to improve system outcomes.

NOW, THEREFORE, BE IT RESOLVED, that the Rice County Board of Commissioners hereby authorize the establishment of the Rice County Community and Justice Council.

Dated this 25th day of September, 2018.
