Comprehensive Plan 2045

3 Core Principles

1. Impact to the financial health of the City
2. How to ensure the benefits and burdens of actions are distributed equitably
3. Whether an action improves climate resilience and sustainability

Comprehensive Plan Guiding Values

CREATIVITY

Northfield will develop **creative solutions to local challenges** by working with the community, ensuring staff understand and have tools to implement best practices in their fields, and using consultants who understand Northfield and its values.

ECONOMY

Northfield's capital planning and budgeting advances the goals of this Plan in **economically responsible and sustainable** ways to ensure revenue is sufficient to meet the City's needs for the long term.

HOME

Northfield promotes **safe, stable housing** in a wide variety of types, sizes, and ownership models, to support local business and accommodate residents in all stages of life.

RESILIENCE

Northfield develops infrastructure, policies, and practices to **foster resilience and mitigate the effects of climate change**.

MOBILITY

Northfield works to provide a full complement of **mobility options** so all Northfield residents and visitors can get where and how they want.

EQUITY

Northfield **emphasizes equity** to address disparities and to ensure equitable access to jobs, housing, education, essential services, retail, mobility options, and open space for all.

CONNECT

Northfield **fosters human connections** in our increasingly diverse community through well-designed neighborhoods, gathering places, and business districts that are inclusive for all, independent of age, economic status, mobility, gender, or racial and ethnic background.

* The figures in the table are based on taxes for new bonded debt only, and do not include tax levies for other purposes. Tax increases shown above are gross increases, not including the impact of the state Property Tax Refund ("Circuit Breaker") program. Many owners of homestead property will qualify for a refund, based on their income and total property taxes. This will decrease the net tax effect of the bond issue for many property owners.

Gas & Electric Franchise Fees 2026

*(Approved September 2025 and
effective January 2026)*

Gas & Electric Franchise Fee

- Established in 2020 to complete to objectives:
 - Replace special assessments to properties (revenue neutral)
 - Add 8% of total to fund climate action initiatives via the Carbon Reduction Fund (solar, energy efficiency rebates, electric vehicles, geothermal incentive for high school, etc.)
- Xcel Energy requires flat rates and must be adopted for each increase
- New rate approved in 2025 for 2026 will cover inflationary increases for the years 2020 through 2030 (no changes anticipated through 2030 if annual revenues are met)
- Estimated total revenues increase from \$1.2M current to \$1.8M annually with new rates
- See next slide for rates
