APPROVAL OF AGENDA

CONSENT AGENDA

The proposed consent agenda is included on the Council Chamber screens. The purpose of a consent agenda is to allow for routine motions, resolutions, and ordinances, or those previously discussed with consensus made, to be passed with one motion. These are still important and necessary considerations and full background memo and materials are publicly available on the website and a copy on the table in the room. Board/Commission Members may ask questions for clarification of an item. If a Member wants to discuss an item, our rules request it be made by advance notice by noon on the Monday immediately prior to the meeting date to the Chair and Staff Liaison, or without said prior notice, during the approval of the agenda. The agenda was passed earlier including the consent agenda.
