<b>Project #</b>	<b>PD-2024-001</b>
<b>Project Name</b>	<b>Police Command Van</b>

<b>Description</b>	<b>Total Project Cost: \$175,000</b>
<p>Replace Police Command Van (2001 Ford Econoline)</p> <p>The police command van is used as a mobile command post for events and critical incidents where a command station in relative close proximity to the event location is needed. The current vehicle is a 2001 Ford chassis with a bus body. This was a former city/Hiawatha lines bus. The interior was modified from row seating to perimeter seating and desk workspaces with storage. A Generator was added on the rear and bumper extended to hold it.</p> <p>Examples of use of this vehicle are a command post for events such as the DJJD, and St. Olaf Christmas Concerts, and for emergent events such as crime scenes, missing persons, search and rescue, and major crimes.</p>	

<b>Justification</b>
<p>The replacement of this vehicle was extended out 4 years (from 2020-2024) to allow some other priority patrol vehicle replacements. The vehicle is in dire need for replacement as the frame is severely rusted due to years of service as a bus in Minnesota winters. The body is rusting as well with rust through on some body panels.</p> <p>Reliability is key for this vehicle as when it is needed in emergent situations, failures are not an option.</p>
