I'm chair of Zero Waste MN, a nonprofit, aiding individuals, businesses, and communities in achieving waste reduction through educational classes, events, and advocacy. I've been on the Northfield Earth Day committee, and CAC's Runway Revival committee. I've hosted Clothing Swaps at Imminet Brewery. I've presented my Zero Waste Class to Rice Counties MRC Class, and a recycling class at the Northfield library. I've presented to Northfield city council to adopt No Mow May (NMO). I'm a part of a working group, to help move Northfields Zero Waste Plan. I work for JetBlue Airways and held a position as an Inflight Sustainability Advocate working to implement more sustainable inflight practices. Outside of Northfield I've hosted numerous workshops, clothing swaps, educational booths, and been involved in local advocacy. I've spoken at the MN capital on plastic bag bans, emailed nearly all cities in the state and presented at countless city council meetings encouraging them to adopt NMO.

I will complete my first term on the ACC this year and would love to serve a second term. I'm on the PARCs for two important projects and would love to see them to completion. I've served as vice chairman for the past two years. I'm excited about the future of public art in Northfield.

Subject: City of Northfield Library Board Appointment

Hello Martha,

Natalie Draper mentioned the other day that you are willing to continue your tenure on a City of Northfield board and commission by serving on the library Board. This has been brought to Mayor Zweife for her review, and she is planning on having your appointment on next Tuesday's (December 2nd) City Council agenda for approval. The term would be a partial term, ending on April 30, 2028.

Please let me know if you have any objections to this appointment or have any questions.

Thank you for your willingness to continue your service.

Sara
