

Northfield Hospital

City Council Work Session

September 13, 2016

Northfield Hospital

Ambulatory Surgery Center

What?

So what?

What next?

Northfield Hospital

What?

An opportunity to offer a new level of care in an adjacent and somewhat underserved market

Northfield Hospital

Provide a spectrum of surgery services
that can be provided on a outpatient
basis

Northfield Hospital

Expand our portfolio of services and
continue to broaden our mix of
activities and markets
(not all our eggs in one basket)

Northfield Hospital

So what?

Northfield Hospital

Payers are migrating and directing
their covered lives to the most cost-
efficient services

Northfield Hospital

Individuals with high deductibles and out-of-pocket payments are self-directing care to more affordable, less hospital-based options

Northfield Hospital

We think this market is a prime candidate for this type of service whether we do it or someone else does it

Steps to Date

- Initial discovery and research conducted – 2014
 - CliftonLarsonAllen was retained to model financial and marketplace feasibility - 2015
 - FriedemannFoarde Law Firm was retained to explore and frame legal considerations – 2015
 - Business Plan developed - 2016
-

Northfield Hospital

What's Next

- Real estate options are being evaluated
- Dialogue with strategic partners
