How you can help

Pick up  
your  
dog's poop.

When washing  
your car park  
it on your lawn,  
or just use  
water.

Sweep grass clippings,  
fertilizer and leaves into  
your lawn or into a  
yard waste bin.

*Clean River Partners*

ISSUED BY

# BE THE SOLUTION.

Some things you  
Can do to Help  
are: Pick up your  
Pet's waste, Don't use  
Chemicals on your  
Lawn, Fix leaks  
from your car, Bag  
or Compost your yard  
Waste, Use Sand not  
Salt on your Ice,  
Sidewalk or Driveway.

Stormwater  
Pollution is When  
rain falls on land  
or grass and  
Pushes Chemicals,  
Grease, Litter and  
Metals down the  
drain.

## TO STORMWATER POLLUTION

**4<sup>th</sup> and 5th  
Grade  
Honorable  
Mention**

# PROTECT

our

# WATER

Storm water can carry plastic and other harmful things through storm drains. This can pollute the land.

Stop  
polluting!

# Help Save our Lakes!

No More  
Trash!

Factories blow  
Chemical Vapors and  
Smoke out through  
Vents and Smokestacks!

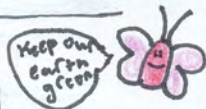

Help  
Save our  
waters!

This is air  
pollution.

## How To Help.

- Try not to Sweep grass  
clippings and other things  
into the storm drains!
- Find a way to Re-use  
Materials!
- Pay attantion to what  
you put in the trash  
and Recycling!
- Do not  
Litter!
