

Northfield Hospital + Clinics

Birth Center & Clinic Expansion Update

Northfield City Council

June 18, 2019

Space Challenges

The lack of available space on the Northfield Campus is limiting our opportunity for growth.

This project is being designed to address this challenge

Design Process

- Design Team has met about every two weeks since April 4th
- BWBR presents ideas based off the space program
- Team reacts to the ideas
- BWBR then incorporates the ideas into the design
- Process continues
