## 2019 Street Improvement Project Special Assessment Roll

The City's Assessment Policy calls for lots to be assessed according to their long footage and short footage. Short footage adjacent to an improvement is assessed 100% of the benefit amount set by the City Council. Long footage is only assessed 10%. The policy also includes frontage calculation formulas for odd shaped lots.

# ASSESSMENT ROLL

## 2019 Street Improvement Project Special Assessment Roll

The City's Assessment Policy calls for lots to be assessed according to their long footage and short footage. Short footage adjacent to an improvement is assessed 100% of the benefit amount set by the City Council. Long footage is only assessed 10%. The policy also includes frontage calculation formulas for odd shaped lots.

	Assessment Rate
Reclamation-Residential	\$58
NW Reclamation Blue Stem-Residential	\$62
Reclamation-Commercial/Industrial	\$53
NW Reclamation John North-Residential	\$67

A      B = A (rounded)      C      D = 10% x C (rounded)      = Rate x (B + D)
