Administrative Fee for Work Without a Building Permit (Note this is for the investigation. If a permit is subsequently issued, the regular fee will also be charged for that issuance).	Original Permit Fee

There are three parts used to calculate the total Building Permit fee:

1. The base Building Permit fee is calculated on the value of the project including materials and labor using the formulas below.
2. The Plan Review fee is 50% of the building permit fee for Residential projects and 65% of the building permit fee for Commercial projects.
3. ***Building Surcharge Fee:**
A minimum surcharge shall be \$0.50 for all permits except flat fee permits shall be a minimum of \$5.00. The State surcharge is calculated as follows:
 .0005 times the value of projects under \$1,000,000;
 .0004 for values over \$1,000,000.00 up to \$2,000,000.00;
 .0003 for values over \$2,000,000.00 up to \$3,000,000.00;
 .0002 for values over \$3,000,000.00 up to \$4,000,000.00;
 .0001 for values over \$4,000,000.00 up to \$5,000,000.00;
