City Council Work Session
June 13, 2017**

Electronic Health Record Replacement

- Current system is adequate, but not a long-term solution
- Past two years spent assessing and vetting a replacement
- Final recommendations and initial contract negotiations to take place this summer

Long Term Care Strategy

- Future needs assessment
- Types of facilities and resources
- Options and related feasibility
- Community focus groups
- Recommendations this summer
- Final decision by year-end

Strategic / Tactical Plan Refresh

- Just concluded a three-year cycle
- May 2017 will start the next three-year cycle
- High value services, strategic relationships, and market growth are among the overarching strategies

Clinic practices have matured

- 2016 had highest clinic visits on record
- Northfield out of space
- Local urgent care option in development

Health policy uncertainty

- ACA
- AHCA

Orthopedics

- New orthopedic relationship – Summit Orthopedics
- Orthopedic services at our Faribault location – July
- Still assessing the surgery center concept
