

What is CAMP®?

The Commission Assistance and Mentoring Program (CAMP) is the signature training offered by National Alliance of Preservation Commissions (NAPC). CAMP® is led by qualified preservation professionals in support of local preservation commissions and the NAPC mission to "build strong local preservation programs through education, advocacy, and training."

The goal of CAMP® is to provide high-quality, engaging and informative training to preservation related boards and commissions of all types through presentations, hands-on exercises, group discussions and networking (mentoring) opportunities. Trainers include commissioners, local, state and national staff members, attorneys and commission partners.

Who Attends CAMP?

CAMP is designed to provide continuing education and support to local design review commissions and Main Street organizations, their staff and partners, such as neighborhood organizations, local and statewide non-profits, community leaders and public officials. Sessions are customized for the state or local community, where applicable.
