The map illustrates the City of St. Olaf's Capital Improvement Plan (CIP) for the years 2017 through 2021. Projects are color-coded by year: orange for 2017-2018, pink for 2019, green for 2020, and blue for 2021. The plan includes a mix of Reclamation, Seal Coat, Mill and Overlay, and Reconstruction projects across the city's street network. Major thoroughfares such as Highway 96, 59, 79, 28, 22, 8, 20, 1, and 31 are clearly marked. The map also identifies key landmarks including the St. Olaf Campus, St. Olaf Stadium, and several schools and parks. A legend in the bottom-left corner provides a detailed key for the symbols used, including private streets, corporate limits, schools, stadiums, railroads, and trails. A scale bar and update date (8/17/2016) are also included.
