

for the Northfield Riverfront & Climate

**Thursday, May 29 from 1:00 to 4:00 PM
Weitz Center for Creativity in Northfield, MN**

Join us for an opportunity to connect with fellow community members passionate about tackling climate change! We're focusing on innovative strategies for mitigation, adaptation, and building resilience, particularly in relation to the Northfield riverfront. Whether you're actively involved in related efforts, impacted by climate change in this area, or simply eager to expand your knowledge, this gathering is for you! Don't miss out on the chance to share ideas, learn from one another, and become part of a vital conversation for our community's future.
