

#### 2026 Mill & Overlay and Mill Towns Trail Improvements Project

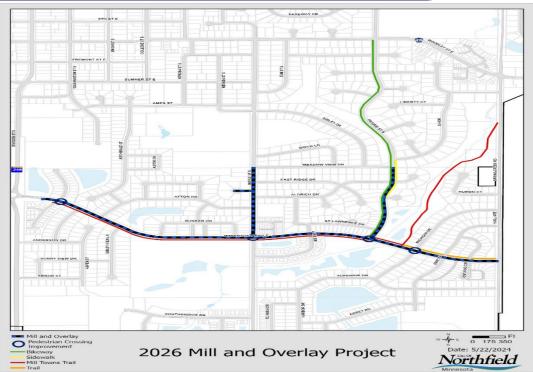

CITY COUNCIL MEETING ORDERING PREPERATION OF FEASIBILITY REPORT 6/4/2024

## Tonight's Outline

- Project Location
- Project Scope
- What is a Mill and Overlay?
- Walking / Biking / Pedestrian Improvements
- Project Process
- Tonight's Action Items
- Questions / Comments

#### **Project Overview**

#### **Project Scope**

- 2" Pavement Mill and Overlay
- Concrete Curb and Gutter Spot Repairs
- Sidewalk Spot Repairs and ADA Upgrades to Existing Pedestrian Facilities
- Storm Sewer, Sanitary Sewer, and Water Valve Adjustments / Rehabilitations
- Walking / Biking / Pedestrian Improvements

#### Mill and Overlay

- Maple Street (Meadow View Dr. to Jefferson Pkwy.)
- Maple Court
- Prairie Street (Meadow View Dr. to Jefferson Pkwy.)
- Jefferson Parkway (Division St. to Spring Creek Rd.)

#### What is a Mill and Overlay?

- A Mill & Overlay project is a street rehabilitation method where the top layer of pavement (~2") is removed and a new layer of bituminous pavement is re-installed
- This is not a reconstruction project which is much more intrusive and much more expensive
- Impacts to residents' and business access is minor
- Pavement condition and traffic volumes show the streets in the project area will benefit from a mill & overlay and the rehabilitation will extend the street's pavement life
- Extends the service life of the road by 15 20 years

#### Mill and Overlay

## Adopted Complete Streets Policies (since 2009)

- 2009: Safe Routes to School Plan. Calls for improvements including filling sidewalk gaps, crossing signals, and the roundabout
- 2012: Complete Streets Policy. Policy to include bike, walk and roll improvements to annual street projects
- 2019: Bike, Pedestrian and Trail system plan update (Toole Design)
- 2020: Council adopted gas and electric utility franchise fees primarily to replace special assessments on street projects and to allow greater flexibility to implement goals of the Bike, Pedestrian and Trail system plan update
- 2022: Northfield adopts a plan for a safe and connected system of facilities for the entire community (Alta) including direction for implementation in 5-year CIP scoping of projects

#### Northfield Biking & Walking Goals

- Cohesive network which allows people to choose how to travel to where they need to go
- Safe routes which separate motor vehicles from people walking, biking and rolling
- Direct connections to minimize distance and obstacles for people biking and walking
- Attractive places for people to ride, walk and roll in Northfield

#### Interested but Concerned 51%-56% of the total

Often not comfortable with bike lanes, may bike on sidewalks even if bike lanes are provided; prefer off-street or separated bicycle facilities or quiet or traffic-calmed residential roads. May not bike at all if bicycle facilities do not meet needs for perceived context.

#### Somewhat Confident 5-9% of the total population

Generally prefer more

comfortable riding in

separated facilities, but are

Highly Confident

4-7% of the total population

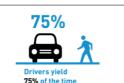

Comfortable riding with traffic; will use roads without bike lanes.

## Biking & Walking Safety

- Streets that separate space for cars, for people on bicycles, and people walking, are the safest streets for everyone
- Minimizing conflicts benefits everyone
- Bike lanes and other facilities slow traffic: Speed is the #1 factor in all traffic deaths, in and out of cars

#### WHY SPEED MATTERS

when traveling

20 MPH

Field of vision at 30 to 40 MPI

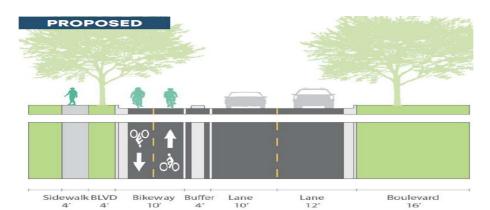

- Evaluate improvements based on the CIP Pedestrian and Bikeway Analyzation
  - Prairie Street Bikeway
  - Prairie Street Sidewalk
  - Mill Towns Trail

- 2018 Pedestrian and Bike Plan
  - Prairie Street
    - Sidewalk and Bikeway

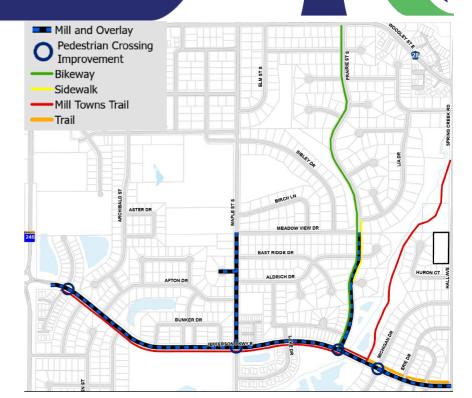

- 2022 Alta CIP Ped + Bike Analyzation
  - Recommendation to replace striped onstreet bikeway with a protected onstreet bikeway (quick build)

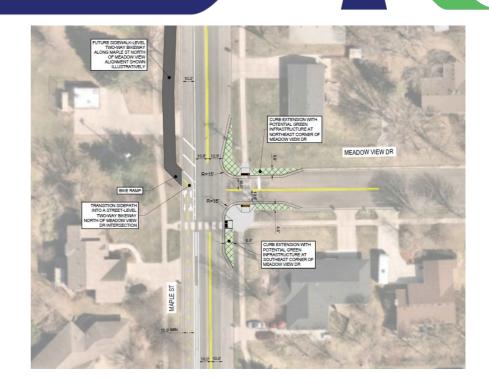

- Prairie Street Bikeway (Woodley St. to Jefferson Pkwy.)
- Prairie Street Sidewalk (Prairie View Ct. to Lia Dr.)
- Jefferson Parkway Trail (Prairie St. to Spring Creek Rd.)
- Mill Towns Trail (Division St. to Spring Creek Rd.)

- Maple St & Meadowview Dr.
  - Alta Recommendation:
    Curb extensions; consider green infrastructure

- Jefferson Pkwy. E & Prairie St.
  - Alta Recommendation: Raised crossing across north and east leg of intersection; curb extension on northeast corner and on Jefferson Parkway across the south end of intersection; consider green infrastructure

#### Jefferson Pkwy. E & Michigan Dr.

 Alta Recommendation: Raised crossing across Jefferson Pkwy (or cut through median at street-level and provide curb ramps from Jefferson Pkwy to side path), RRFB; curb extensions, extend median and shorten left turn lane; consider green infrastructure in curb extensions and tree planting

- Jefferson Pkwy. E & Washington St. S
  - Alta Recommendation: Median refuge island and marked crosswalk on southeast leg; curb cuts connecting trail on south side of Jefferson Pkwy to sidewalk on north side

#### • Jefferson Pkwy. E & Maple St.

- An Intersection Control Evaluation is being conducted at this intersection
- The Feasibility report include potential improvements from intersection study

#### **Project Process**

June 4, 2024	Order preparation of Feasibility Report
June 18, 2024	Approve Professional Services Agreement
April 16, 2025	1 <sup>st</sup> Neighborhood Meeting
May 21, 2025	Discussion of Draft Feasibility Report
June 11, 2025	2 <sup>nd</sup> Neighborhood Meeting
August 4, 2025	Accept Feasibility Report and Authorize Preparation of Plans and Specifications
November 18, 2025	Publish Street Recon Plan Hearing Ad in Northfield News
December 2, 2025	Public Hearing – 5-Year Street Reconstruction Plan and Adoption of Plan
January 14, 2026	3 <sup>rd</sup> Neighborhood Meeting
February 3, 2026	Approve Plans and Order Advertisement for Bids
February 11, 18, 25, 2026	Publish Ad for Bid in Northfield News
March 5, 2026	Bid Opening – 2:00 P.M.
March 17, 2026	Accept Bids and Award Contract
May 2026	Property Owner Meetings
May – October, 2026	Construction
July 2027	Accept Improvements and Authorize Final Payments

#### **Action Tonight**

#### Consideration of Resolution 2024-XXX

#### Ordering Preparation of Feasibility Report for the 2026 Mill & Overlay and Mill Towns Trail Improvements Project
