No Sidewalk Petition re: 2023 Peterson Drive Reclamation Project

Dear Mr. Simonson and City Staff,

Thank you for offering the November 9 presentation of the 2023 Northfield Reclamation and Overlay Projects. We are grateful for the opportunity to learn of these plans, to express our appreciation and concerns regarding the care of our neighborhood, and most importantly, to have a voice in the improvement planning. Residents of Peterson Drive agree that street improvement is needed, however, based on reasons presented at the November 9 Open House meeting, residents of Peterson Drive **do not want sidewalks**.

We are counting on you, Mr. Simonson, to carry this document to Mayor Rhonda Pownell, Council Members, SEH staff, and members involved in the decision process for this good work.

Sincerely,
Peterson Drive Neighborhood Residents
