I'm interested in serving on the Housing and Redevelopment Authority (HRA) because of my personal and professional connection to Northfield's housing challenges. I'm the Executive Director of the Northfield Union of Youth (NUY), where I lead initiatives like the Wallflower Project, providing safe housing for unhoused youth ages 16-24. My role involves strengthening community partnerships, navigating funding challenges, and guiding our organization through significant growth. I'm involved in the Northfield community, serving on the DEI Rotary Committee, the Affordable Housing Task Force, and other groups focused on housing, mental health & substance use.

Personally, I've experienced the challenges of Northfield's housing market firsthand, having recently purchased a home, with my son & partner now in the process of buying their first home here as well. My background includes training in trauma-informed care equipping me with skills to support vulnerable populations. I'm committed to creating a more inclusive and supportive community and eager to bring my experience and passion to HRA to address the critical housing needs in Northfield
