

Financial Assistance for the 2017 Street Assessment Projects

Provided by the Northfield Housing & Redevelopment Authority

The Northfield HRA is offering financial assistance with the
2017 Street Assessments

to income qualified homeowners. Assistance will be
an amount paid upfront on the homeowner's
assessment, thereby allowing a smaller balance
owed by the homeowner.

The homeowner will still have the option to assess the
remaining balance over 10 years.

Interested homeowners must fill out and submit an
application, which may be found at:

<http://www.ci.northfield.mn.us/> then go to Housing and
Redevelopment, then Programs.

Or call City Hall at 645-3059 and request an
application be mailed to you.

**FUNDS ARE LIMITED AND ARE
FIRST COME, FIRST SERVED.**

**Applications will be accepted
beginning July 10, 2017**

How much assistance can I receive for my street assessment?

Assessment amounts to be awarded are based on the type of street project being completed and the assessment total for **your** individual property. The following terms apply:

- Full Reconstruction - $\frac{1}{2}$ of assessment or \$3,000, whichever is less
- Street Reclamation - $\frac{1}{2}$ of assessment or \$2,500, whichever is less

This is a grant program. The amount awarded to each homeowner *will not* be repaid to the City.

This program is ONLY for street reclamation projects occurring in 2017.
