

Storm Water Solution

SOLUTION: Throw
litter away in the
garbage not in
the gutter, and
remember if you
see garbage, leaves,
grass, or anything
else that can go in
to the sewer pick it
up.

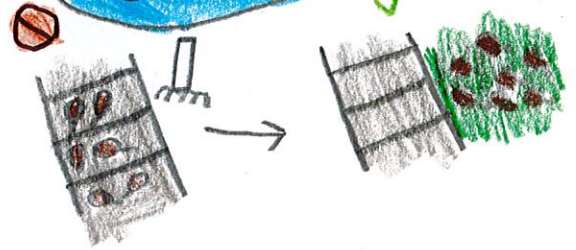

Pollution Solutions

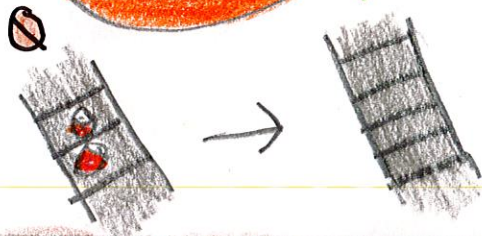

Clean up dog's waste

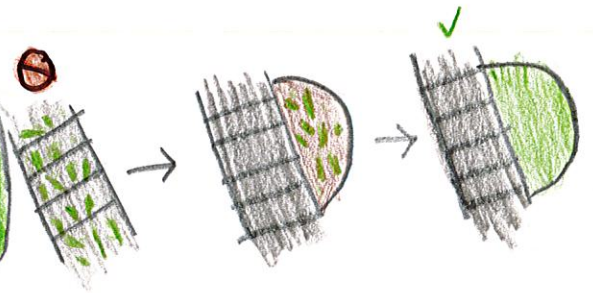

Rake up leaves

Pick up trash

Clean up grass clippings

Before

After

Solution Not Pollution!

If our rivers get too dirty it will make alga bloom. That is gross.

You should rake your leaves too!

Pick up your dog's poop! we don't want it down the drain!

I want a clean river!

ONLY RAIN DOWN THE STORM DRAIN

Ride your bike
not your car

take good
care of the
environment!

don't
litter

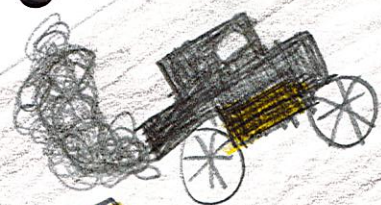

pick up
dog's
poop!

"bark"

CLEAN WORLD ... YOUR JOB

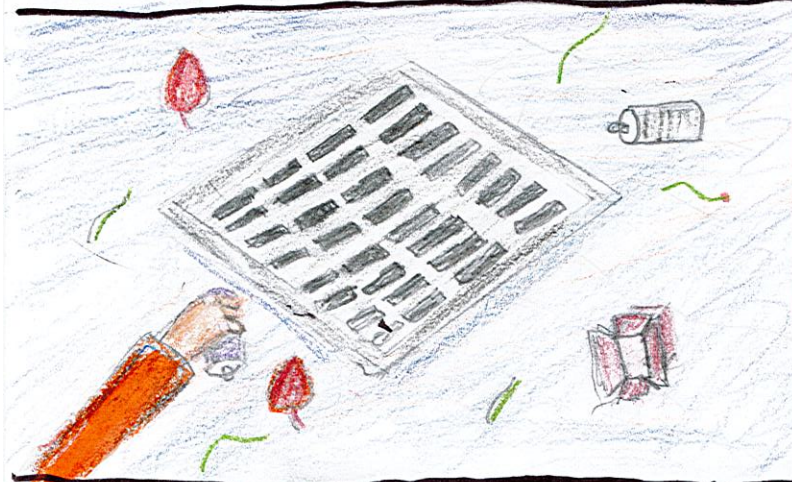

Help Protect Our River!

(Ayuda a proteger nuestros ríos)

HELP PROTECT OUR RIVERS

¡Ayude a Proteger Nuestros Ríos!

How Can You Help?

Storm drains lead to rivers. And when trash comes down storm drains, they go to our rivers.

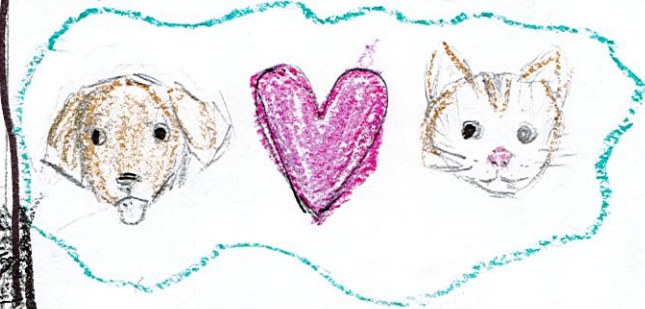

Trash in the rivers could harm fish.

Make sure to pick up garbage, leaves, and grass clippings

Pick up your pets' waste.

Throw them away

Do not throw them on the street

How it is

What it Should be

Cannon River

Warning

Solutions

If you see
trash pick
it up.

Keep your
grass clippings
in your lawn
along with leaves

sapling

Save your local river by not polluting, cleaning
your dogs poop, not spilling oil in are storm water, littering
like leaves in the water. (E)

SAVE

—OUR—

WATER!

how can
we help
OUR River?

well
FOR
Starters:

you can PICK UP
your Pet waste.

DON'T LITTER!
IT hurts our
river!

you Can Be Careful
where you spray
your PESTICIDES. or
Better Yet, DON'T
USE Them.

Make a rain Garden,
rain Gardens are
made with native
Plants. The Plants
help Purify our river!
