Summarize why you are interested in serving:

My second term on the PC/ZBA is up at the end of this year. I would like to put myself forward for one more term. I have thoroughly enjoyed my time on the PC so far and would like to continue to contribute.

Summarize your personal background and attributes you feel are relevant to consideration of your appointment such as community involvement, experience serving on governing boards, training, education, work history, or other personal values, experience or perspectives:

Participating on the PC/ZBA plays to some of my strengths and professional experiences. Currently, I am a licensed engineer and am the engineering department manager for Post. Much of my career has involved working on various projects for my employers which involve land use and other related activities. From just a personal perspective, I think it is important to help serve the community in which you live. This is one area where I believe I can continue to help.

Summarize why you are interested in serving:

I am relatively new to Northfield and I am eager to get involved in ways that will help my new community grow and prosper. I have some past experience serving on municipal boards and task forces and know it is a great way to meet people and make a tangible impact.

Summarize your personal background and attributes you feel are relevant to consideration of your appointment such as community involvement, experience serving on governing boards, training, education, work history, or other personal values, experience or perspectives:

Prior to moving to Northfield this year, I lived and worked in Austin, MN. For two years I served as director for a volunteer-driven community development nonprofit called Vision 2020. In that capacity I worked regularly with members of the city government/administration, the Development Corporation of Austin, and other similar entities. I also served in a variety of other volunteer capacities around town, including on the Planning Commission, the Rotary Club board, and others. I also earned a mini-MBA for nonprofits certificate from the University of St. Thomas in 2016. My academic training is in political science, having earned a BA at Luther College and an MA at the University of Notre Dame.

Summarize why you are interested in serving:

We moved to Northfield about two years ago and I want to be more involved in the community. We lived in North Mankato for 30+ yrs and now in Northfield. While in No. Mankato I served on No Mkto's Bd of Equalization/Appeals for about 15 yrs. This definitely provided the opportunity to be involved.

Summarize your personal background and attributes you feel are relevant to consideration of your appointment such as community involvement, experience serving on governing boards, training, education, work history, or other personal values, experience or perspectives:

I will keep this short and provide links to additional information at the end of the brief summary to L-in and the company website.

Experience: land broker/REALTOR licensed in MN & NE; licensed auctioneer & appraiser in MN. Of 18,000+ REALTORS in Minnesota, I am one of only 14 to have attained the prestigious Accredited Land Consultant designation. Have served as president for many organizations including: National REALTORS Land Institute (RLI); MN Chapter RLI; WEB (Women Executives in Business); Garden Club, together with other organizations in leadership positions.

I work with commercial land, development land, land-in-transition, ag, hunting/rec, lakeshore...As an appraiser and REALTOR, planning & zoning is always the first stop in the process in order to determine highest & best use. Working through the process from survey to subdivision development is a great process as well.

Listing/sales; recruiting, training to retain quality personnel are just some of the current job duties. Involvement at the local, state and national level for real estate is on-going: chair-Legislative Affairs, ASFMRA; just appointed to the first Real Estate Appraisal Advisory Bd; on Board of Governors for GreenSeam; VP MN Chapter RLI.
