

Highlights from CVB November '17 Meeting

- Prepared by Cynthia Gilbertson

- New Visitor's Guide should be printed in January
- CVB is going to be sharing space on Bridge Square with the Chamber and the NDDC (and the EDA?). Eight weeks of build-out before they move in, should begin soon.
- We have a new design idea for the website and future Visitor's Guide: vintage travel posters. Should be adaptable to feature many aspects of the town (history, arts, outdoors, etc.). No plan at the moment to make any changes to the calendar feature as part of the website redesign.
- Next year will be the 20th anniversary of Winter Walk, so we are doing it up a bit bigger than usual. There will be a parade.
