

Northfield Skate Park Phase II

City Council
April 21, 2026

Background

- Phase 1 constructed at Memorial Park in 2015 after many years of discussion and planning by city officials and Northfield Youth Group's with the Northfield Skateboard Coalition leading the charge.
- Grant Application submitted to the State of MN in February of 2025 for \$500,000 to expand our skatepark from 4500 Sq-Ft to the initial goal of 9000-10,000 Sq-Ft
- City of Northfield awarded the full amount of \$500,000 through the State of MN's City of Skate grant program in June of 2025.
- City receives signed grant back from DEED at the state level in February of 2026.
- Designer, Mark Leski owner of Wizard Skateparks, LLC awarded contract to designer Phase two Expansion

Designer

- Mark Leski “the wiz”
- 30+ years building and designing skateparks
- Minnesota native know nationally for his creative vision to turn a space into some of the most recognized private and public skateparks in the industry
- Notable parks include:
 - Blood Bowl
 - Hiawatha
 - Cuckoo’s Nest
 - Can Wakpa
 - Duluth, MN
- Worked on construction crews for Painter Park, Elliott, Shakopee, and many others
- Lifelong skater who has skated 500+ parks across the USA

Goal and Vision Phase II

- Larger, dynamic layout
- Accessible for all skill levels
- Regional reach to bring people into Northfield
- Safe and creative outlet for the Northfield community
