

① Down from the sky

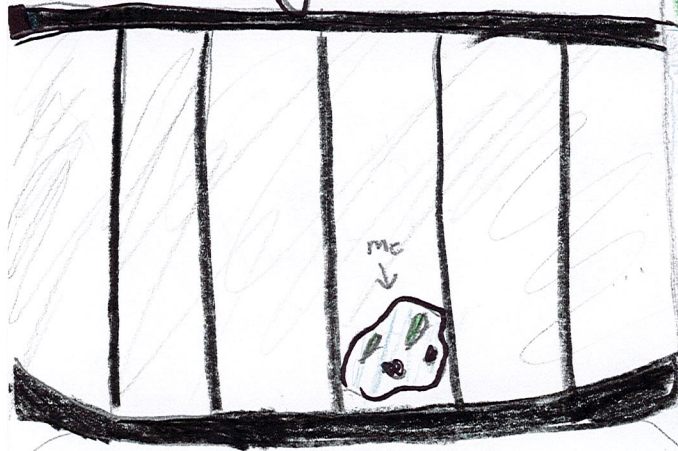

② the life of a Raindrop

on to the road

along my journey, I pick up trash and leaves that people left on the street.

I wash into the gutter

out into the river

*The Cannon River Watershed
Partnership*

ISSUED BY

Stop storm
water pollution

please
Recycle, reuse,
and reduce!

Not in
the storm
drain

Throw
trash
away
in
the
garbage

please stop!

you're hurting
us!

why
stop?

yay!

If you
stop polluting
the Earth
will be
happy

**STORMWATER
POLLUTION POSTER
CONTEST**

Second Place

*"Be the Solution to
Stormwater Pollution"*

2018

Elizabeth Driscoll

IN RECOGNITION OF

*The Cannon River Watershed
Partnership (www.crup.net)*

ISSUED BY

Be the solution to
pollution, it's
bad.

If you
leave garbage
on the ground
because when
it rains the
garbage goes
down.

stop
pollution, it's
bad for
the environment!

Bad Planet

If you
pick up garbage
your planet
will be
happy!

grass
clippings

storm
drain

start
stopping
pollution!

Good Planet

Do you want
a sea of garbage?

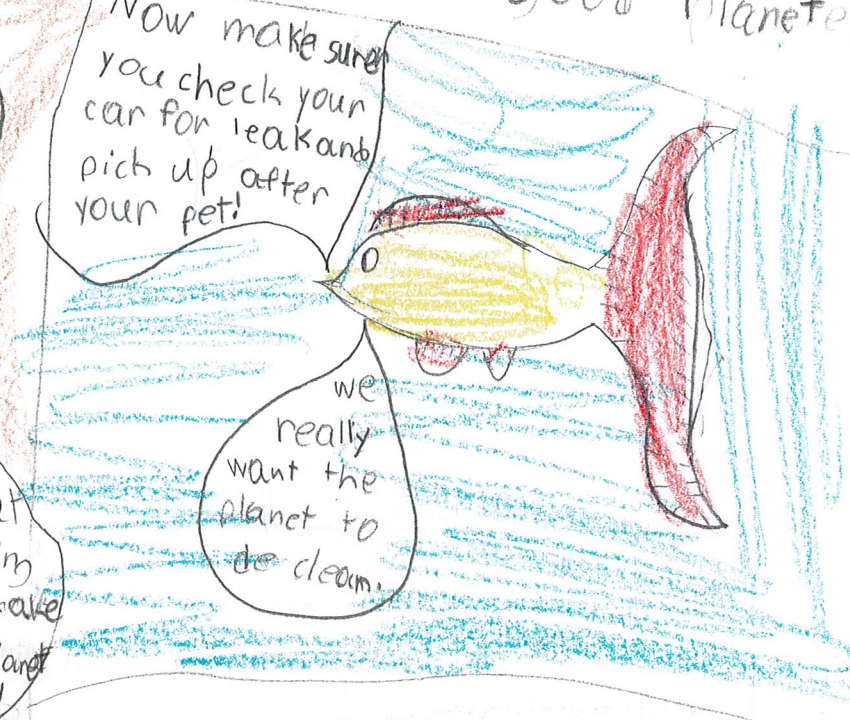

Now make sure
you check your
car for leaks and
pick up after
your pet!

we
really
want the
planet to
be clean.

start
picking
up make
the planet
clean!

Bad Water

Good Water
