Tempel introduced the draft Southbridge Development project and gave some background on the item.

Joan and Vern Koester introduced themselves and gave history on their land and the development they are pursuing. The Koester's asked for direction from the Planning Commission on what types of housing should be addressed, connectivity of the land, and what trails and sidewalk connections would best benefit the neighborhood.

Greg Halling, the Koester's engineer and partner, spoke on the connectivity, stormwater, rain gardens, trails and sidewalks, trees, of this development.

Stuart exited the meeting at 7:44pm.

The PC provided comments to the Koester's including:

- adding connectivity from Ford Street leading north, so children will have walking access to the middle school*
- connecting Southbridge east/west and connecting Aspen to the south would be desirable*
- the proposed neighborhood commercial on the corner lots of Ford Street and 246 was encouraged*

Tempel stated he would summarize the comments from the PC and relay them to the Koester's.

4. [18-103](#) Administrative Update
