

Recreation Programming Report – September 2022

Submitted by: Melissa Bernhard

Summer Wrap-Up

- The summer recreation presentation will be given at the October meeting
- The All-Comers Track Meet & Hometown Hoedown went very well. We had over 100 people at the track meet, and 175 at the hoedown. Both programs continue to grow each year!
- I attended and presented at the first Recreation, Aquatics, & Community Center conference in August. Great takeaways for me included inspiration from JellyBean Sports, adult pickleball opportunities, fresh new birthday party ideas, Nordic walking, and roundtable discussions with aquatic coordinators and directors. I presented on creative programming ideas in aquatics and recreation, and shared ten of the new programs/classes I've launched over the time in my role as the recreation coordinator here in Northfield.

September Programming

- Mini Raider FB Camp
- Flag Football
- YEL Junior Soccer
- Street Hockey
- Track & Field Sampler
- Tennis
- Horseback Riding
- Gumdo
- Karate
- Swim Lessons
- Raider Fitness
- Cardio Drumming
- Beginning Qigong
- Taekwondo
