Hi Lynette,

I apologize for the delay. Attached is the proposed ordinance for the amendment to Section 4.5 of the Northfield Charter. If it doesn't get in the mix this go around that's ok. There is no urgency here. Lance

Chair Heisler,

I understand there will be a charter amendment coming forth from the Charter Commission to be considered by the City Council. We are in the process of getting the packet ready for next Tuesday, September 20th meeting and are starting to head up an item if you have the ordinance drafted and the information to get to us. We do send out packets on Thursdays and would need this information as soon as possible if we are going to get it all organized and through our process prior to Thursday's deadline. We could also put on the first October meeting if that works better for you.

Please let me know thoughts and send me information if ready.

Thanks!
