Re: *Service Assessment Adoption Time Change: March 7, 2017 6:00 p.m.*

Dear Resident:

At the February 21, 2017 City Council Meeting, City Council Adopted Resolution 2017-016, which changed the start time of City Council Meeting from 7:00 p.m. to 6:00 p.m. for all City Council meetings starting on March 1, 2017. Therefore, the City Council Meeting scheduled for March 7, 2017, which includes the Adoption of the Service Assessments for the Woodley Street Reconstruction Project will now have a start time of **6:00 p.m.**

The City of Northfield apologizes for any inconvenience this time change may cause. If you have any questions or concerns please feel free to contact myself at 645-3020.

Sincerely,
