

NORTHFIELD PUBLIC LIBRARY

GIFT FUND POLICY

POLICY: It is the policy that all gift monies donated to the Northfield Public Library will be deposited into gift fund accounts managed by the City. These funds may not be expended without the prior permission of the Library Board.

At the time of the donation each gift will be identified as falling within one of four categories, which will distinguish how the gift shall be used.

Designated

Donations and grants with a specific purpose (i.e. audiovisual materials, Adult programming, Children's literature etc.) shall be classified as Designated and will be deposited in the Designated account of the Library Gift Fund for the stated purpose. Designated funds should be expended within the year of the donation unless the donor stipulates the establishment of an ongoing Designated Gift Fund. In this case, a specific named fund will be established within the Library Gift Funds budget.

Undesignated

Donations and grants with no specified purpose other than general support of the library shall be classified Undesignated and will be deposited in the Undesignated account of the Library Gift Fund. During the first quarter of the fiscal year, the Board will review staff budget requests for the expenditure of Undesignated Gift Funds and recommend distribution of these funds.

Capital Fund

Donations and grants with the specified purpose of library expansion, major remodeling or other non-operating expenditures shall be classified Capital Fund and will be deposited in an established Capital Fund account. The Capital Fund will be preserved for library expansion, major remodeling or other expenditures outside the regular scope of the operating budget. Library expansion could include: costs related to feasibility studies, architectural fees and other preliminary expenses to a building project, and furnishings and equipment that may be needed to make the new or remodeled space function as intended.

Endowed Fund

The Library recognizes the importance of planned gifts in enhancing the library's programs, facilities and collections in establishing the Endowment Fund. These gifts are considered true Endowment funds; for the purposes of this Policy, Endowment Funds are gifts placed into a permanent fund, the principle of which may not be withdrawn. Gifts of over \$5,000 may be used to set up a named, true endowment.

Gift Fund Regulations

1. Upon the recommendation of the Library Board, the City Council of Northfield makes the final decision on acceptance of monetary gifts. The City of Northfield retains ownership of Library Gift funds, but these funds can only be expended at the direction of the Library Board.
2. Checks shall be made payable to the Northfield Public Library. In no event shall a check be made payable to an individual who represents the library in any capacity.
3. Gifts to the library, a governmental unit, may qualify as a tax deduction; the donor will have to consider his or her particular circumstances for the specific effect and should consult with his or her tax advisor.
