

Historic District Revision Outreach Timeline

In February of 2015, the Northfield Heritage Preservation Commission (HPC) applied for grant funds from the State Historic Society to resurvey the district.

The State Historic Society awarded a \$12,000 Certified Local Government (CLG) grant Sept 2015.

At the December 8, 2015 City Council meeting, the City Council approved the \$8,000 grant matching funds.

A request for proposals (RFP) for consultant services was issued on January 6, 2016.

March 2016 notification letter of resurvey project sent to all district property owners.

The consultants completed the survey at the end of 2016 and provided a final report at the March 2017 HPC meeting.

Summer/Fall 2016 HPC members attempted to personally interview each district property owner and provide the survey results and district information.

The Planning Commission reviewed the HPC proposal at its May 2017 meeting.

The official public hearing for the ordinance per the published notice announcing amendments to the district was held before the City Council on June 6, 2017.

An informational presentation providing additional details on the Historic District was provided to City Council on October 10, 2017.

Notice of ordinance sent to affected owners January 26, 2018 by staff and the following week from HPC with invitation to talk personally.
