

We're reviewing Northfield's **Bicycle and Trail System** and need your input!

Talk to Us

We're hosting a variety of community meetings and an online survey in an effort to talk to as many community members as possible. Based on your feedback, we'll recommend a final route for the Mill Towns State Trail through Northfield and identify and prioritize bikeway gaps in the city. Join us at one of the following community meetings to learn, discuss, and prioritize bicycle and trail system goals together!
