Summarize why you are interested in serving:

Quite simply - our youth are our future, and we need to be supporting them and nurturing their development. Health promotion and substance use/abuse prevention is an essential component of ensuring healthy development. I have really enjoyed being a part of NASAP for the past 3 years, and I really look forward to continuing to find ways to build partnerships across our community through HCI, the schools, the colleges, and other community resources to ensure our youth avoid harmful substances and have a thriving mental health. Finally, I really enjoy our NASAP group, and want to continue to serve alongside all of them and deepen and broaden our relationships.

Summarize your personal background and attributes you feel are relevant to consideration of your appointment such as community involvement, experience serving on governing boards, training, education, work history, or other personal values, experience or perspectives:

For the past 7 years, I have worked at Carleton College working in student development. Most recently (last 3 years), I have specifically worked in substance abuse prevention and health promotion. I have served on NASAP for the past 3 years, and have been the chair for the past 2 years. My background is the culmination of young adult development combined with public health practices (evidence and research informed). I believe that I can really contribute to NASAP initiatives which really reflect those areas of focus for our youth in our community.

Summarize why you are interested in serving:

I am blessed to be a part of this thriving community and it would be my absolute honor to be serve our growing and demanding Health Care Community to insure that our residents have the best and most dependable Health Care possible.

Summarize your personal background and attributes you feel are relevant to consideration of your appointment such as community involvement, experience serving on governing boards, training, education, work history, or other personal values, experience or perspectives:

I live and work in our wonderful community and am blessed to be part of the Facilities Team at St. Olaf College, in the role of Chief Engineer. I have also had the opportunity to be a part of the Facilities Team at North Memorial Medical Center in Robbinsdale. Another thing that qualifies me to serve as a contributing member of the Hospital Board is my experience working in the field of Medical Gas. Prior to St. Olaf, I worked in the Medical Gas Community for the nation's largest manufacturer of Medical Gas Systems - BeaconMedaes. I have received formal Medical Gas Training and am currently credentialed ASSE 6005 Medical Gas System Generalist, ASSE 6020 Medical Gas Systems Inspector, and ASSE 6040 Medical Gas Systems Maintenance. I have had the honor of serving as a Board Member for Stop It Now Minnesota - An organization committed to the Prevention of Child Sexual Abuse. My role was primarily to attend monthly board meetings and weigh in on issues being discussed. One of the highlights was the opportunity to attend a Bill Hearing on this subject in Washington DC. It was an honor serving with this amazing community. I love serving in a capacity to help enrich someone's life. For me personally, there is no greater honor. Thank you for your consideration.

Summarize why you are interested in serving:

I applied for a position on this board in 2006 when it was first formed as the Northfield Mayor's Task Force on Youth Alcohol and Drug Use. I have a personal interest in helping our youth be substance free. I have been involved with MADD at the County and State level for 18 years. I am also the TZD Safe Roads Coordinator and work on traffic safety issues with a focus on teen drivers. I recently retired from Carleton College after 30 years. I believe my experience with the group and the research and learning I've done over the years, plus the history of what has been accomplished that I can share will be of benefit to the group.
