

4x4 Gateway Corridor Group

Submitted by Alyssa Melby

Attendance: Alyssa Melby (ACC); Teresa Jensen (City); Alice Thomas and Tracy Heisler (Roundtable)

We met on March. 5 and discussed the following

- 3rd St. Reclamation: reviewed the options presented by Sean Simonson to the public. Discussed upcoming city council meeting later that evening which would vote on a recommendation for the project.
- Updates were given on the Cultural Plan, Artists on Main Street initiative, and “e-PARC committee”.
- Parking signage guidelines: Jill and Tracy had conflicting schedules over the last month. Hope to have 3-5 proposed designs at the next meeting!

So far, close to 20 people have RSVPd to attend! Please help spread the word on Facebook, and many thanks to Heather for pushing this out to her artist network!

Cultural Plan

We received additional support from Planning Commission and EQC. We presented to HPC as well but not official motion to support the plan was taken. The plan is scheduled to go to City Council on March 12 during their work session, with a vote occurring on March 19 (at least I think).
