June Updates 2019

Sidewalk Poetry

This is the time of the year when we are awaiting the arrival of the molds of the 2019 winning poems from the manufacturer and anticipating their installation in Northfield's sidewalks. Thanks are extended to Philip Spensley for his longterm dedication to the project as he visits home and business owners regarding the installation of poems on their properties. Recognition and appreciation are also due to Sean Simonson, Breanna Paarman, and other members of the Public Works Department for the critical role they play in the success of this program.

Please make sure to mark your calendars for the Sidewalk Poetry Capstone Celebration on Bridge Square on Thursday, August 29th, at 7 pm (music will start earlier!). Please join us for an evening of popcorn, poetry, and music!

Living Treasure

I am in the process of scheduling a meeting of a Living Treasure Committee to reflect on past process and propose any recommended changes. Updates will follow.

Respectfully submitted,
