PRAB members discussed with CROCT member Griff Wigley, the options of building a bike park in Northfield. PRAB preferred the Meadows Park location, while CROCT was leaning toward the Memorial Park location. Wigley volunteered to continue research with the help of Grad students to study bike park usage in Northfield.

4. [19-834](#) Pedestrian, Bike and Trail System Update Recommendations

The pedestrian, bike and trail system update was approved by council at their April 16, 2019 meeting. An optional downtown spur was added to the recommendations. Staff will meet with DNR regarding funding.

5. [19-835](#) Canoe/kayak River Access

Discussion was held on the best location for the new kayak/paddle board/canoe takeout. Three locations being considered were in Riverside Park at 7th Street, the south end of Babcock Park and the north end of Babcock Park. Robert Stai and Norman Oberto from the Riverside Enhancement Committee discussed the advantages of constructing the takeout in Babcock Park. DJJD representative Lynn Ziegler shared her concerns with the takeout being placed near the rodeo grounds. At this time, PRAB recommended holding off on the original construction location approved in June 2018 location in Riverside Park until the right decision is reached based on the Mills Town trailhead and master plan for Babcock Park.

VI. New Business Items

6. [19-836](#) Artists on Main Street Project
