

2020 Budget
City Council Conferences, Travel & Training

The City Council approved a City Council Professional Development and Travel Council Administrative Policy on April 2, 2019 (attached). The purpose of this policy is to establish guidelines for professional development activities of the City Council and for reimbursement of training, professional development, and meeting expenses incurred by the City Council when performing their official duties. Per the policy, the City Council must set a maximum budget for professional development each year. The City Council is allocated budgeted dollars for attendance at Events. Guidelines for specific Event attendance will be discussed annually with the budget process. The City Council may attend Events without prior approval of the City Council as long as an event falls within the City Council's annual budget for professional development and is an Event relevant to matter of City business. Note: Out of State travel requires pre-approval.
