

Purchasing Policy 10/1/201907 6/17/20194

DRAFT WORKING DOCUMENT 9-23-19

Purpose	To comply with <u>the Uniform Municipal Contracting Law ("UMCL")</u> , Minnesota Statu <u>tes</u> , <u>Section</u> 471.345, and to establish specific guidelines for <u>contracting and</u> the purchase of goods and services by the employees of the City of Northfield <u>("city")</u> .
Policy	It is the policy of the city to acquire goods and services through a competitive process whenever practical that results in <u>materials, equipment and</u> supply arrangements at the most effective net cost, in the correct quantities, of the appropriate quality, and from the most responsive and responsible source. Purchasing and supply management functions at the city are delegated to the department directors, requiring diligent attention to the governing laws and rules.
	Purchasing goods and services using a purchasing card is covered under the Purchasing Card Policy 4.56.
Legal Authority	This purchasing policy is established by the City Council pursuant to City Charter, City Code and State Statute. City funds may only be spent for purposes that are expressly or implicitly authorized by State Statutes or by the City's Charter and must be for a public purpose. The following legal authority governs this policy:
	1. Uniform Municipal Contracting Law ("UMCL"), Minnesota Statutes, Section 471.345.
	2. City Charter, Sections 7.3, 8.1 and 9.7:
	a. Section 7.3 Powers and Duties of the Administrator.
	i. Subd. 1. The administrator shall administer the city in accordance with state law, this Charter, city ordinances, and council policies.
	ii. Subd. 7. The administrator shall supervise the purchase of all materials and equipment. The administrator may establish purchasing procedures subject to the approval of the council.
	b. Section 8.1 Contracts. All contracts entered into on behalf of the city shall comply with provisions of the Minnesota Uniform [Municipal] Contracting Law [Minn. Stat. § 471.345], where applicable.
	c. Section 9.7 Enforcement of the Budget. The administrator shall strictly enforce the provisions of the budget. The administrator shall not authorize any payment or the incurring of any obligation by the city unless an appropriation has been made in the budget resolution and there are sufficient unexpended funds left after deducting the total past expenditures and encumbrances against the appropriation.

No officer or employee of the city shall place any order to make any purchase except for a purpose and to the amount authorized in the budget resolution. No check shall be issued or transfer made to any account other than one owned by the city until the claim to which it relates has been supported by an itemized bill, payroll, or time-sheet or other document approved and signed by the responsible city officer who vouches for its correctness and reasonableness.

3. City Code, Section 2-161. Duties and responsibilities.

a. (e) The administrator shall prepare the budget annually and submit it to the mayor who shall submit the recommended budget to the city council. The budget shall be submitted with supporting material showing the important features of the budget. The administrator shall keep the mayor and council advised of the city's present financial condition and future needs, and make recommendations as the administrator may deem desirable. The administrator shall supervise the purchase of all material and equipment for which funds are provided in the budget and as directed by the council.

b. (f) The administrator may issue such rules governing purchasing procedure within the administrative organizations as the council shall approve.

Under State statute and City Charter, the annual adoption of the budget shall constitute City Council appropriations for the year at the "fund" level. Budgetary control shall be exercised on the "department" and *fund* levels. The City Administrator shall identify Department Heads or other staff who shall be responsible for each *fund* or *department* in the annual budget. These individuals shall be responsible for compliance with the annual budget and for all expenditures for their *departments* and *funds*. The City Administrator, in consultation with the Finance Director, must approve total expenditures above those budgeted at the *department* level, subject to the annual budget and City Council alterations thereto pursuant to City Charter, section 9.8, as applicable.

Support of Local Firms and Merchants It is the policy of the city to support local firms and merchants. <u>Acknowledging</u>, <u>based on the type of contract and contract price</u>, that different legal requirements <u>apply</u>. <u>To</u> facilitate this policy, when products or services can reasonably be supplied by local merchants or firms, requests for bids, <u>proposals</u> or quotations, <u>as</u> <u>applicable to the type of contract</u>, <u>shallmay</u> be solicited by phone, mail or facsimile and/or advertisement in the official city newspaper and/or trade journals <u>as required</u> <u>by law</u> to attempt to provide an opportunity for local merchants to participate in the <u>bidding solicitation</u> process. For contracts required to be competitively bid pursuant to Minnesota Statues, Section 471.345, Aadvertisements for bids shall be published in accordance with the state law. For projects required to be competitively bid, Aaward of bids or quotations shall be made in accordance with state law to the

	lowest qualifiedresponsible bidder.
<u>Decentralized</u> <u>Purchasing</u>	The majority of city purchases are decentralized, meaning that each department handles procurement of materials, supplies, equipment and services needed for their own operation. The responsibility lies with each department to obtain bids, proposals, quotes, or purchase on the open market, meeting the requirements of applicable law, maintain records of the same, place actual orders, receive deliveries, and approve invoices for payment.
	To be uniform and save time and money in quantity purchases, the City Administrator may assign a department to centrally purchase some products. An example of this would be office supplies.
Types of Contracts and	The following are some of the types of contracts and purchases made by the city:
Purchase	 UNIFORM MUNICIPAL CONTRACTING LAW. It shall be the policy of the city that the UMCL shall govern all contracts and purchases to which it applies. Changes to the UMCL shall automatically become the policy of the city. UMCL covered contracts are any contracts entered into by the city for the sale or purchase of supplies, materials, equipment or the rental thereof, or the construction, alteration, repair or maintenance of real or personal property. The categories and requirements of the UMCL are discussed further below under the Uniform Municipal Contracting Law Requirements section. City policy may be more restrictive than State Law, but may not be less restrictive. Records of quotes and bids, as applicable under the UMCL, shall be retained for at least one year after the completion of the contract or purchase or until the annual audit for the year of the purchase is completed, whichever is longer. PROFESSIONAL SERVICES CONTRACTS.
	a. Applicability. This procedure applies to all advisory, auditing, engineering, financial, legal, personnel, technical, training, or other services.
	b. Competency. Contracts shall be made only with responsible consultants who have the capability to successfully fulfill the contractual requirements. Consideration shall be given to their past performance and experience, their financial capacity to complete the project, the availability of personnel, and other appropriate criteria.
	c. Solicitation. The nature of the professional service shall be illustrated in either; a request for proposals for services of greater magnitude, or in a description of work for services of lesser magnitude. This shall be advertised or otherwise distributed to likely and potential service providers commensurate with the value of the

contract.

- d. Selection. Professional service providers shall be selected so as to provide the best value to the City considering the difficulty of the work proposed, its value to the City, the expertise and capacity of the consultant and cost.
- 3. EMERGENCY PURCHASES. Occasions arise where an immediate purchase is necessary to protect the life, health, safety, or convenience of the citizens or to preserve the property of the city or its citizens. To the greatest extent possible, normal purchasing procedures shall be followed. However, when expediency is required to rectify an emergency situation, any or all of these procedures may be waived pursuant to Minnesota Statutes, Sections 12.29 and 12.37. If possible, the City Administrator shall be contacted to approve the purchase. In the absence of the City Administrator, a Department Head shall approve the purchase and report to the City Administrator at the earliest opportunity. A report to the City Council shall be made at the next regular City Council meeting.
- 4. COOPERATIVE PURCHASING AGREEMENTS. When possible, every effort should be used to take advantage of cooperative purchasing agreements as a cost savings measure. The city shall maintain its membership with the State Cooperative Purchasing Venture Program. By using the State's plan, bidding requirements are already fulfilled.

Pursuant to Minnesota Statutes, section 471.345, subd. 15, for a contract estimated to exceed \$25,000, a municipality must consider the availability, price and quality of supplies, materials, or equipment available through the state's cooperative purchasing venture before purchasing through another source.

Alternatively, as provided in Minnesota Statutes, section 471.345, subd. 15 (b), if the city does not utilize the state's cooperative purchasing venture, the city may contract for the purchase of supplies, materials, or equipment without regard to the competitive bidding requirements of state law if the purchase is through a national municipal association's purchasing alliance or cooperative created by a joint powers agreement that purchases items from more than one source on the basis of competitive bids or competitive quotations.

Under any of the foregoing, the City Council or City Administrator, as applicable, must still be notified and approve the contract/purchase as defined in and in accordance with this policy.

5. ROUTINE PAYMENTS. The City Administrator or the Finance Director may authorize certain routine payments subject to the requirements of this

policy. These may include, but are not limited to the following: partial or
progress payments on contracts or bids previously awarded by the City
Council; payments to federal, state, or other local governments under a
cooperative agreement previously approved by the City Council or as
required by law; payment of employee payroll withholdings, taxes, and
benefits; and payment of ongoing monthly utility services to city buildings
and properties. At a minimum, these costs shall be reviewed during the
annual budget preparation.

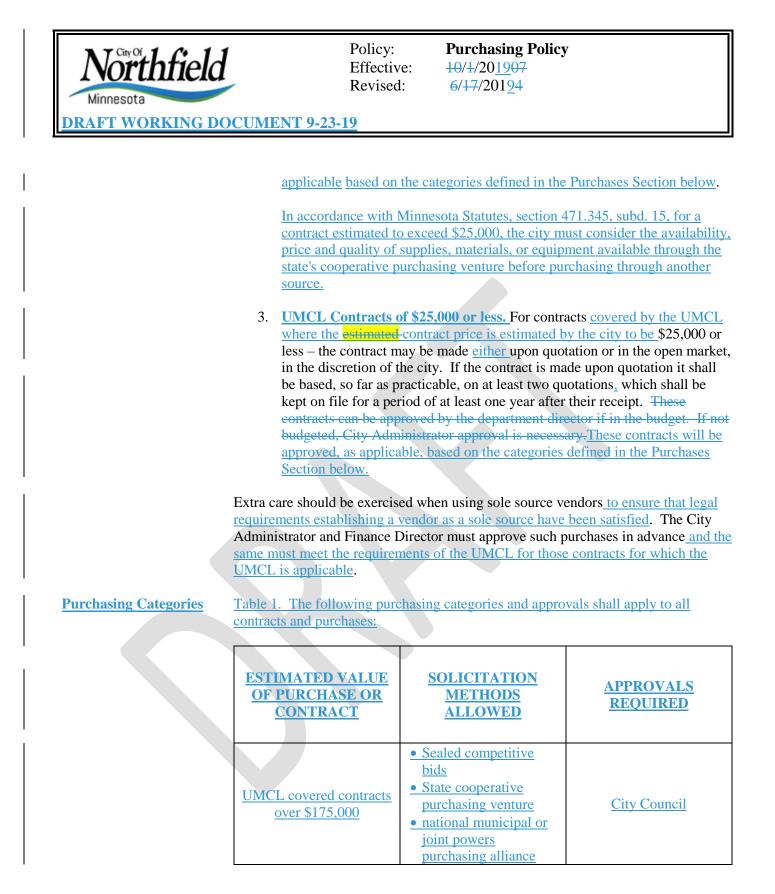

Cooperative Purchasing Agreements
